Incentive Compensation: Long-Term Compensation, page 25

1. We note your response to comment 4 in our letter dated May 20, 2014, including your statement that the Compensation Committee approved funding the LTIP "at 75% of the target awards." In future filings, please clarify what the target awards are for each NEO and how they were determined. In addition, we note your disclosure that the awards were "structured as flat dollar amounts." If you mean that the target awards (to which the 75% applied in 2014) are flat dollar amounts, then please clarify this and disclose the flat dollar amount applicable to each NEO in future filings. Otherwise, please clarify what this statement means.
