Q. *Why am I receiving these proxy materials?*

A. Our Board of Directors is providing this Proxy Statement and other materials to you in connection with the Company's 2015 Annual Stockholders' Meeting. This Proxy Statement describes the matters proposed to be voted on at the 2015 Annual Meeting, including:

- (1) **the election of directors;**
- (2) **the ratification of the Audit Committee's selection of KPMG LLP as the Company's independent registered public accounting firm for 2015;**
- (3) **the re-approval of the Revlon Executive Incentive Compensation Plan;**

and such other business as may properly come before the 2015 Annual Meeting. The approximate date of making these proxy materials available to you is April 21, 2015.

Q. *Why did I receive a notice regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?*

In accordance with SEC rules and regulations, instead of mailing a printed copy of our proxy materials to all stockholders entitled to vote at our 2015 Annual Meeting, we are making the proxy materials and our 2014 Annual Report available to our stockholders on the Internet. On or about April 21, 2015, we are sending to our stockholders a Notice of Internet Availability of Proxy Materials (the "Internet Notice").

The Internet Notice contains instructions on how stockholders may access and review our proxy materials and our 2014 Annual Report on the Internet and vote electronically, as well as instructions on how stockholders can request a paper copy of our proxy materials, including the 2015 Proxy Statement, the 2014 Annual Report and a form of proxy card. Unless you already had a request for paper copies on file with our transfer agent or your broker, you will not receive a printed copy of the proxy materials. Instead, the Internet Notice will instruct you as to how you may access and review the proxy materials and submit your vote on the Internet. If you would like to receive a printed copy of the proxy materials, please follow the instructions in the Internet Notice.

Important Notice Regarding the Availability of Proxy Materials for the June 4, 2015 Annual Stockholders' Meeting:

Our 2015 Proxy Statement, the Notice of Annual Stockholders' Meeting and our 2014 Annual Report are available at www.proxyvote.com and at www.revloninc.com. Stockholders may also vote their shares at www.proxyvote.com.

Q. *How can I request paper copies of proxy materials?*

A. You will not receive a printed copy of the proxy materials unless you request them. There is no charge imposed by the Company for paper copies. To request paper copies, stockholders can (i) go to www.proxyvote.com and follow the instructions, (ii) call **1-800-579-1639** or (iii) send an email to sendmaterial@proxyvote.com. If you request materials by email, send a blank email with your Control Number(s) that are located in the subject line of the Internet Notice. **To facilitate timely delivery, please make your paper copy request no later than May 21, 2015.**

Q. *When and where is the 2015 Annual Meeting?*

A. The 2015 Annual Meeting will be held at 10:00 a.m., Eastern Time, on Thursday, June 4, 2015, at Revlon's Research Center at 2121 Route 27, Edison, NJ 08818.

Q. What is the purpose of the 2015 Annual Meeting?

- A. At the 2015 Annual Meeting, the Company's stockholders will act upon the following matters set forth in the Notice of Annual Stockholders' Meeting:
- the election of the following persons as members of the Company's Board of Directors to serve until the next annual stockholders' meeting and until such directors' successors are elected and shall have been qualified: Ronald O. Perelman, Alan S. Bernikow, Lorenzo Delpani, Viet D. Dinh, Meyer Feldberg, David L. Kennedy, Robert K. Kretzman, Ceci Kurzman, Tamara Mellon, Debra Perelman, Barry F. Schwartz and Cristiana Falcone Sorrell. If any nominee is unable or declines unexpectedly to stand for election as a director at the 2015 Annual Meeting, the Board of Directors may by resolution provide for a lesser number of directors or designate substitute nominees and proxies will be voted for any such substitute nominee;
 - the ratification of the Audit Committee's selection of KPMG LLP as the Company's independent registered public accounting firm for 2015;
 - the re-approval of the Revlon Executive Incentive Compensation Plan; and
 - the transaction of such other business as may properly come before the 2015 Annual Meeting.

Q. What are the voting recommendations of the Board?

- A. The Board recommends the following votes:
- **FOR** each of the director nominees;
 - **FOR** the ratification of the Audit Committee's selection of KPMG LLP as the Company's independent registered public accounting firm for 2015; and
 - **FOR** the re-approval of the Revlon Executive Incentive Compensation Plan.

Q. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

- A. Many holders of the Company's Class A Common Stock hold such shares through a broker or other nominee (i.e., as a beneficial owner), rather than directly in their own name (i.e., as a stockholder of record). As summarized below, there are some distinctions between shares held of record and those owned beneficially.
- **Stockholder of Record.** If your shares are registered in your name with the Company's transfer agent, American Stock Transfer & Trust Company, as of 5:00 p.m., Eastern Time, on the April 8, 2015 record date, you are considered the stockholder of record with respect to those shares, and the Company is making these proxy materials available, electronically or otherwise, directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to a third party, or to vote in person at the 2015 Annual Meeting. The Company has made available a proxy card or electronic voting that stockholders can use to vote.
 - **Beneficial Owner.** If your shares are held in a brokerage account or by another nominee as of 5:00 p.m., Eastern Time, on the April 8, 2015 record date, you are considered the beneficial owner of shares held in "street name," and the Company is making these proxy materials available, electronically or otherwise, to your broker, nominee or trustee. These intermediaries should forward these materials to you.

Q. How do I vote?

- A. You may vote using one of the following methods:

Internet. To vote through the Internet, go to www.proxyvote.com and follow the steps on the secure website. You should have your Internet Notice or your proxy card available, as you will need to reference your assigned Control Number(s). You may vote on the Internet up until 11:59 p.m. Eastern Time on June 3, 2015, which is the day before the June 4, 2015 Annual Meeting. If you vote by the Internet, you do not need to return your proxy card, although you can use it later to change your Internet vote.

Telephone. You may vote by telephone by calling the toll-free number on your proxy card up until 11:59 p.m., Eastern Time, on June 3, 2015 and following the pre-recorded instructions. You should have your Internet Notice or your proxy card available when you call, as you will need to reference your assigned Control Number(s). If you vote by telephone, you do not need to return your proxy card, although you can use it later to change your telephone vote.

Mail. If you receive paper copies of the proxy materials by mail, you may vote by mail by marking your proxy card, dating and signing it, and returning it in the postage-prepaid envelope provided, or to Vote Processing (Revlon), c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. You should return your completed proxy card so that Broadridge receives it prior to the closing of the voting polls for the June 4, 2015 Annual Meeting.

In Person. You may vote your shares in person by attending the 2015 Annual Meeting and submitting a valid proxy at the meeting. If you are a “registered owner” or “record holder” (i.e., you are listed as a stockholder on the books and records of our transfer agent), you may vote in person by submitting your proxy card or casting a ballot furnished by the Company at the 2015 Annual Meeting prior to the closing of the polls. If you are a “beneficial owner” (i.e., your shares are held by a nominee, such as a bank or broker or in “street name”), you may not vote your shares in person at the 2015 Annual Meeting unless you obtain and present to the Company an original legal proxy from your bank or broker authorizing you to vote the shares. Copies and “Requests for Admission” will not be accepted.

Voting, Generally. All shares that have been voted properly by an unrevoked proxy will be voted at the 2015 Annual Meeting in accordance with your instructions. In relation to how your proxy will be voted, see “*How will my proxy be voted?*” below.

If you are a “beneficial owner” because your brokerage firm, bank, broker-dealer or other similar organization is the holder of record of your shares (i.e., your shares are held in “street name”), you will receive instructions on how to vote from your bank, broker or other record holder. You must follow these instructions in order for your shares to be voted. Your broker is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, the broker may vote your shares only with respect to Proposal No. 2 (the ratification of the Audit Committee’s selection of the Company’s independent registered public accounting firm), which is considered a “routine” matter, and not with respect to Proposal No. 1 (Election of Directors) or Proposal No. 3 (Re-approval of the Revlon Executive Incentive Compensation Plan).

Q. *How are broker non-votes counted?*

- A. A broker non-vote occurs when shares held by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from its clients. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will only have discretion to vote your shares on “routine” matters. Where a proposal is not “routine,” a broker who has not received instructions from its clients does not have discretion to vote its clients’ uninstructed shares on that proposal. At the 2015 Annual Meeting, only Proposal No. 2 (the ratification of the Audit Committee’s selection of the Company’s independent registered public accounting firm) is considered a routine matter. Your broker will therefore not have discretion to vote on the following “non-routine” matters absent direction from you: Proposal No. 1 (Election of Directors) or Proposal No. 3 (Re-approval of the Revlon Executive Incentive Compensation Plan).

Broker non-votes will be counted towards determining whether or not a quorum is present. With respect to Proposal No. 1 (Election of Directors) and Proposal No. 3 (Re-approval of the Revlon Executive Incentive Compensation Plan), because broker non-votes are not voted affirmatively or negatively, they will have no effect on the approval of any of these proposals.

Q. *Who can vote?*

- A. Only (1) stockholders of record of the Company’s Class A Common Stock (which is the only outstanding class of the Company’s voting capital stock) at 5:00 p.m., Eastern Time, on April 8, 2015, the record date for the 2015 Annual Meeting, and (2) those who have been granted and present an original, signed, valid legal proxy in appropriate form from a holder of record of the Company’s Class A Common Stock as of 5:00 p.m., Eastern Time, on April 8, 2015, are entitled to vote. Each share of Class A Common Stock is entitled to one vote.

Q. *How will my proxy be voted?*

- A. When properly submitted to us, and not revoked, your proxy will be voted in accordance with your instructions. If you sign and return your proxy card without indicating how you would like your shares to be voted, the persons designated by the Company as proxies will vote in accordance with the recommendations of the Board

TABLE OF CONTENTS

of Directors, as follows: (1) **FOR** Proposal No. 1 (Election of Directors); (2) **FOR** Proposal No. 2 (Ratification of the Audit Committee's selection of KPMG LLP as the Company's independent registered public accounting firm for 2015); and (3) **FOR** Proposal No. 3 (Re-approval of the Revlon Executive Incentive Compensation Plan).

Although we are not aware of any other matter that will be properly presented at the 2015 Annual Meeting, if any other matter is properly presented, the persons designated by the Company as proxies may vote on such matters in their discretion.

Q. *Can I change or revoke my vote?*

A. Yes. If you are a stockholder of record, you can change or revoke your vote at any time before it is voted at the 2015 Annual Meeting by:

- executing and delivering a proxy bearing a later date, which must be received by the Company's Secretary at One New York Plaza, 49th Floor, New York, NY 10004, Attention: Michael T. Sheehan, before the original proxy is voted at the 2015 Annual Meeting;
- filing a written revocation or written notice of change, as the case may be, which must be received by the Company's Secretary at One New York Plaza, 49th Floor, New York, NY 10004, Attention: Michael T. Sheehan, before the original proxy is voted at the 2015 Annual Meeting; or
- attending the 2015 Annual Meeting and voting in person.

If you are a beneficial owner, please follow the voting instructions sent to you by your broker, trustee or nominee to change or revoke your vote.

To revoke a vote previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using the same procedures, in which case the later submitted vote will be recorded and the earlier vote revoked.

Q. *What if I am a participant in the Revlon 401(k) Plan?*

A. This Proxy Statement is being furnished to you if the Company's Class A Common Stock is allocated to your account within the Revlon Employees' Savings, Investment and Profit Sharing Plan (the "401(k) Plan"). The trustee of the 401(k) Plan, as the record holder of the Company's shares held in the 401(k) Plan, will vote the shares allocated to your account under the 401(k) Plan in accordance with your instructions. If the trustee of the 401(k) Plan does not otherwise receive voting instructions for shares allocated to your 401(k) Plan Account, the trustee, in accordance with the 401(k) Plan trust agreement, will vote any such shares in the same proportion as it votes those shares allocated to 401(k) Plan participants' accounts for which voting instructions were received by the trustee.

401(k) Plan participants must submit their voting instructions to the trustee of our 401(k) Plan in accordance with the instructions included with the proxy card or Internet Notice so that they are received by 11:59 p.m. Eastern Time on May 21, 2015 to allow the trustee time to receive such voting instructions and vote on behalf of participants in the 401(k) Plan. Voting instructions received from 401(k) Plan participants after this deadline, under any method, will not be considered timely and will be voted by the trustee at the 2015 Annual Meeting in the manner described in the previous paragraph for non-votes.

Solicitation and Voting of Proxies; Revocation

Unless properly revoked, all proxies properly submitted to the Company will be voted on all matters presented at the 2015 Annual Meeting in accordance with the instructions given by the person executing or electronically submitting the proxy. In the absence of instructions, such proxies will be voted:

- (1) **FOR** the election to the Board of Directors of each of the 12 nominees identified in this Proxy Statement;
- (2) **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2015; and
- (3) **FOR** the re-approval of the Revlon Executive Incentive Compensation Plan.

The Company has no knowledge of any other matters to be brought before the meeting. The deadline for receipt by the Company of stockholder proposals for inclusion in the proxy materials for presentation at the 2015 Annual Meeting was December 25, 2014. The Company did not receive any stockholder proposals required to be included in these proxy materials.

Pursuant to the Company's By-laws, in order for stockholders to properly bring any business before the 2015 Annual Meeting that is not otherwise set forth in this proxy statement, notice of such business must have been received by the Company between March 12, 2015 and April 11, 2015 and not subsequently withdrawn. Such notices must include, among other things: (i) information regarding the proposed business to be brought before the meeting; (ii) the identity of the stockholder proposing the business; and (iii) the class of the Company's shares which are owned beneficially or of record by such stockholder. The Company did not receive notification of any such matters. As a general matter, if any matters are properly presented before the 2015 Annual Meeting for action, in the absence of other instructions, it is intended that the persons named by the Company and acting as proxies will vote in accordance with their discretion on such matters.

The submission of a signed or validly submitted electronic proxy will not affect a stockholder's right to change such vote, attend and/or vote in person at the 2015 Annual Meeting. Stockholders who execute a proxy or validly submit an electronic vote may revoke it at any time before it is voted at the 2015 Annual Meeting. Such revocations may be made by: (i) filing a written revocation or written notice of change, as the case may be, with the Company's Secretary at One New York Plaza, 49th Floor, New York, NY 10004, Attention: Michael T. Sheehan, which must be received before the original proxy is voted at the 2015 Annual Meeting; (ii) executing and delivering a proxy bearing a later date to the Company's Secretary at One New York Plaza, 49th Floor, New York, NY 10004, Attention: Michael T. Sheehan, which must be received before the original proxy is voted at the 2015 Annual Meeting; or (iii) attending the 2015 Annual Meeting and voting in person.

To revoke a proxy previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using either of those procedures, or submit a properly completed original proxy reflecting your changed vote. In such case, the later submitted vote will be recorded and the earlier vote revoked.

Record Date; Voting Rights

Only holders of record of shares of the Company's Class A common stock, par value \$0.01 per share (the "Class A Common Stock"), at 5:00 p.m., Eastern Time, on April 8, 2015 (the "Record Date") will be entitled to notice of and to vote at the 2015 Annual Meeting or at any adjournments of such meeting. On the Record Date, there were issued and outstanding 52,440,580 shares of the Company's Class A Common Stock, each of which is entitled to one vote.

TABLE OF CONTENTS

Such shares represent all of the Company's issued and outstanding shares of voting capital stock as of such date. As of the Record Date, Mr. Ronald O. Perelman, Chairman of the Board of Directors, directly and indirectly through MacAndrews & Forbes Incorporated, of which Mr. Perelman is the sole stockholder (together with certain of its affiliates (other than the Company or its subsidiaries), "MacAndrews & Forbes"), beneficially owned 40,669,640 shares of the Company's Class A Common Stock, representing approximately 78% of the voting power of such stock.

The presence in person or by duly submitted proxy of the holders of a majority of the total number of votes of the Company's Class A Common Stock entitled to vote at the 2015 Annual Meeting is necessary to constitute a quorum to transact business at the meeting. Abstentions will be included in the calculation of the number of shares present at the 2015 Annual Meeting for the purposes of determining a quorum.

As there is at least one "routine" matter (under applicable NYSE rules) for consideration at the 2015 Annual Meeting, "broker non-votes," if any, will also be included in the calculation of the number of shares present at the 2015 Annual Meeting for the purposes of determining a quorum. "Broker non-votes" are shares held by a broker, trustee or nominee that are not voted because the broker, trustee or nominee does not have discretionary voting power on a particular proposal and does not receive voting instructions from the beneficial owner of the shares.

Brokers will not be allowed to vote shares as to which they have not received voting instructions from the beneficial owner with respect to Proposal No. 1 (Election of Directors) or Proposal No. 3 (Re-approval of the Revlon Executive Incentive Compensation Plan). Accordingly, broker non-votes will not be counted as a vote for or against any of these proposals.

For shares as to which brokers have not received voting instructions from the beneficial owner, brokers will be able to vote on Proposal No. 2 (ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2015), as this is considered a "routine" matter under applicable NYSE rules for which brokers have discretionary voting power.

MacAndrews & Forbes has informed the Company that it will duly submit proxies:

- (1) **FOR** the election to the Board of Directors of each of the 12 nominees identified in this Proxy Statement;
- (2) **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2015; and
- (3) **FOR** the re-approval of the Revlon Executive Incentive Compensation Plan.

Accordingly, with MacAndrews & Forbes' vote, there will be a quorum for the 2015 Annual Meeting. MacAndrews & Forbes' vote will also be sufficient, without the concurring vote of any of the Company's other stockholders, to approve and adopt Proposal Nos. 1, 2 and 3.

If shares of Class A Common Stock are held as of the Record Date for the account of participants under the Revlon Employees' Savings, Investment and Profit Sharing Plan (the "401(k) Plan"), the 401(k) Plan trustee will vote those shares pursuant to the instructions given by the 401(k) Plan participants on their respective voting instruction forms. If the 401(k) Plan trustee does not otherwise receive voting instructions for shares held on account of a 401(k) Plan participant, the 401(k) Plan trustee, in accordance with the 401(k) Plan trust agreement, will vote any such unvoted shares in the same proportion as it votes those shares allocated to 401(k) Plan participants' accounts for which voting instructions were received by the trustee.

401(k) Plan participants must cast their votes in accordance with the instructions provided in the proxy materials so that they are received by the 401(k) Plan trustee by 11:59 p.m. Eastern Time on May 21, 2015 to allow the 401(k) Plan trustee time to receive such voting instructions and vote on behalf of 401(k) Plan participants. Voting instructions received from 401(k) Plan participants after this deadline, under any method, will not be considered timely and will be voted by the 401(k) Plan trustee at the 2015 Annual Meeting in the manner described in this paragraph above.

Only holders of record of shares of the Company's Class A Common Stock on the Record Date will be entitled to notice of and to vote at the 2015 Annual Meeting or at any adjournments of such meeting. Stockholders will be entitled to vote the number of Class A Common Stock held by them on the Record Date.

Distribution of Proxy Materials; Costs of Distribution and Solicitation; Interest of Certain Persons in Matters to Be Acted Upon

The accompanying form of proxy is being solicited on behalf of the Company's Board of Directors. The Company will bear all costs in connection with preparing, assembling and furnishing this Proxy Statement and related materials. Such costs include reimbursing banks, brokerage houses and other custodians, nominees, agents and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders. The Company engaged Broadridge to assist it in distributing and hosting on the Internet proxy materials and providing Internet and telephone voting for the 2015 Annual Meeting. The estimated fee for Broadridge's services is approximately \$11,000, plus out-of-pocket expenses, such as postage.

The Company's employees, including its Named Executive Officers, have received, in the past, and may receive, in the future, performance-based incentive compensation grants under an annual bonus program and/or a long-term incentive program, in each case under the Revlon Executive Incentive Compensation Plan, which is being submitted for stockholder re-approval as Proposal No. 3 under this Proxy Statement. The annual cash bonuses are contingent upon the Compensation Committee reviewing and certifying the extent to which the Company achieved its annual performance objectives (which objectives have also been reviewed and approved by the Compensation Committee), as well as the Compensation Committee's reviewing and certifying management's assessment of the extent to which the executive achieved a certain performance rating under the Company's annual management review process. The awards under the long-term incentive program are also contingent upon the Compensation Committee reviewing and certifying the extent to which the Company achieved its performance objectives during the applicable performance period (which objectives have also been reviewed and approved by the Compensation Committee), as well as the Compensation Committee's reviewing and certifying management's assessment of each Named Executive Officer having achieved a satisfactory performance rating under the Company's annual management review process during each year of the respective LTIP's performance period. For further information of the benefits under the Revlon Executive Incentive Compensation Plan, see Proposal No. 3 (Re-approval of the Revlon Executive Incentive Compensation Plan): "DESCRIPTION OF THE PLAN'S TERMS" and "NEW PLAN BENEFITS TABLE."

Householding of Stockholder Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" stockholder materials, such as proxy statements, information statements and annual reports. This means that only one copy of our Internet Notice or proxy materials may have been sent to multiple stockholders in your household, if any. We will promptly deliver a separate copy of our Internet Notice or the 2015 proxy materials to you if you write us at the following address: Revlon, Inc., Investor Relations Department, One New York Plaza, New York, NY 10004; or our proxy distributor at the following address: Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If you want to receive separate copies of the stockholder materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address. In the interest of reducing costs and promoting environmental responsibility, we encourage our stockholders to review electronic versions of our proxy materials, via the Internet.

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Pursuant to the Company's By-laws, the Board of Directors has fixed the number of directors at 12 effective as of the date of the 2015 Annual Meeting. Upon the recommendation of the Board's Nominating and Corporate Governance Committee, the 12 directors nominated for election by the Board of Directors will be elected at the 2015 Annual Meeting to serve until the Company's next annual stockholders' meeting and until their successors are duly elected and shall have been qualified. All director nominees, if elected, are expected to serve until the next annual stockholders' meeting.

The Board of Directors has been informed that all of the nominees are willing to serve as directors. If, however, any of them should decline or be unable to serve, the Board of Directors may by resolution provide for a lesser number of directors or designate substitute nominees. In such case, the individuals appointed as proxies will vote as directed as to the election of any such substitute nominee. The Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve.

Vote Required and Board of Directors' Recommendation (Proposal No. 1)

The election to the Board of Directors of each of the 12 nominees identified in this Proxy Statement requires the affirmative vote of a plurality of the votes cast by the holders of the Company's Class A Common Stock present in person or represented by proxy at the 2015 Annual Meeting and entitled to vote. Unless such proxies are revoked, with respect to Proposal No. 1, all proxies properly submitted to the Company will be voted in accordance with the instructions given by the person submitting such proxy. In the absence of such instructions, such proxies will be voted **FOR** the election of each of the 12 nominees identified in this Proxy Statement to the Board of Directors.

Brokers do not have the ability to vote on "non-routine" matters, including the election of directors, as to shares for which they have not received voting instructions from the beneficial owner. In light of the application of plurality voting to the election of Directors, when tabulating the vote and determining whether a Director nominee has received the requisite number of affirmative votes, abstentions and broker non-votes will not count as a vote for or against a Director nominee.

MacAndrews & Forbes has informed the Company that it will vote **FOR** the election of each of the 12 nominees identified in this Proxy Statement to the Board of Directors. MacAndrews & Forbes' affirmative vote is sufficient, without the concurring vote of the Company's other stockholders, to elect each of the Director nominees at the 2015 Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ELECTION OF EACH OF THE 12 NOMINEES IDENTIFIED BELOW TO THE BOARD OF DIRECTORS.

CORPORATE GOVERNANCE

Board of Directors and its Committees

Board Size and Committees

The Board currently consists of 14 directors. Following the 2015 Annual Meeting, and assuming all director nominees named in Proposal No. 1 (Election of Directors) are elected, we expect the Board will consist of 12 directors. The Board of Directors currently has the following standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these committees and their functions are described in further detail below. Following the 2015 Annual Meeting, we expect the Board to take advantage of the “controlled company” exemption from the requirement to have a nominating and corporate governance committee, and we expect the Board to assume this function instead of a stand-alone committee.

“Controlled Company” Exemption

The Company is a “controlled company” (i.e., one in which more than 50% of the voting power for the election of directors is held by an individual, a group or another company) within the meaning of New York Stock Exchange (the “NYSE”) rules. Accordingly, the Company is not required to have a majority of independent directors, a nominating and corporate governance committee or a compensation committee (each of which committees, under the NYSE’s rules, would otherwise be required to be comprised entirely of independent directors). While during 2014 more than a majority of the Company’s directors were independent and the Company maintained a stand-alone nominating and corporate governance committee, following the 2015 Annual Meeting, the Company intends to avail itself of the NYSE’s “controlled-company” exemption from the requirement to have a majority of independent directors and the requirement to have a nominating and corporate governance committee.

The Board has determined that of the director nominees listed in this Proxy Statement, Messrs. Bernikow, Dinh and Feldberg and Ms. Kurzman, Mellon and Falcone Sorrell qualify as independent directors under Section 303A.02 of the NYSE Listed Company Manual (the “NYSE Manual”) and under the Revlon, Inc. Board Guidelines for Assessing Director Independence (the “Independence Guidelines”). The Independence Guidelines are available at www.revloninc.com under the heading Investor Relations - Corporate Governance.

Following the 2015 Annual Meeting and assuming the election of all directors named under Proposal No. 1 (Election of Directors), we expect the Board to take advantage of the NYSE’s “controlled company” exemption from the requirement to have a nominating and corporate governance committee, and we expect the Board to assume this function instead of a stand-alone committee.

Even though as a “controlled company,” the Company is not required to have a Compensation Committee (which, under NYSE rules, would otherwise be required to be comprised entirely of independent directors), the Board does maintain a Compensation Committee. The Compensation Committee is currently comprised of Messrs. Bernikow (Chairman) and Kretzman and Ms. Kurzman and Kathi Seifert. The Board has determined that Mr. Bernikow and Ms. Kurzman qualify as independent directors under Section 303A.02 of the NYSE Manual and under the Independence Guidelines. The Board has also determined that all of the current Compensation Committee members qualify as “non-employee directors” within the meaning of Section 16 of the Exchange Act and that Mr. Bernikow and Ms. Kurzman and Seifert qualify as “outside directors” under Section 162(m) (“Section 162(m)”) of the Internal Revenue Code of 1986, as amended (the “Code”).

Following the 2015 Annual Meeting and assuming the election of all directors named under Proposal No. 1 (Election of Directors), the Board expects to assess the composition and membership of the Compensation Committee and, to the extent there are changes in committee membership it will post such changes to its website, www.revloninc.com, under the heading Investor Relations - Corporate Governance.

Number of Board and Committee Meetings

During 2014, the Board of Directors held 6 meetings and acted 4 times by unanimous written consent; the Audit Committee held 8 meetings; the Compensation Committee held 8 meetings; the Nominating and Corporate Governance Committee held 3 meetings; and the Compensation Committee and the Nominating and Corporate Governance Committee held 2 joint meetings. Ms. Mellon attended fewer than 75% of the Board meetings during 2014.

Director Attendance at Annual Stockholders' Meeting

While the Board has not adopted a formal policy regarding directors' attendance at the Company's annual stockholders' meeting, directors are invited to attend such meeting. One Director attended the Company's 2014 Annual Stockholders' Meeting.

Board Leadership Structure

The Company believes that its board leadership structure is appropriate given the Company's specific status as a "controlled company." Following the 2015 Annual Meeting, the Board will have an audit and a compensation committee, each operating under written charters, to assist the Board in its oversight functions. The Audit Committee will continue to be comprised entirely of independent directors as required under SEC rules and NYSE standards.

In the past, including for the director nominees for the 2015 Annual Meeting, the qualifications and experience of nominees for board service and committee membership were reviewed annually by the Nominating and Corporate Governance Committee. Nominees for board membership were then recommended by such committee for appointment as director nominees by the Board, whose election was subject to stockholder approval at the annual stockholders' meetings. As we expect that the Board will assume the Nominating and Corporate Governance Committee's functions following the 2015 Annual Meeting, the full Board will assess the qualifications and experience of nominees for Board and committee service in the future.

The Company has not established a "lead director" role. At Board and committee meetings, the Chairman of the Board and the Chairman of each such committee, or their respective designees, as applicable, presides for the purpose of conducting an orderly and efficient meeting. Independent directors or any other director may lead or initiate discussion, in the interest of promoting thorough consideration of any issue before the Board or any of its committees.

The Company has historically maintained separate positions of Chairman and Chief Executive Officer. Mr. Perelman, Chairman and Chief Executive Officer of MacAndrews & Forbes, has held the position of Chairman of the Company's Board since June 1998 and Mr. Delpani has held the positions of President and Chief Executive Officer of the Company since November 2013. The Chairman provides overall leadership to the Board in its oversight function, while the Chief Executive Officer provides leadership in respect to the day-to-day management and operation of the Company's business.

The Board and each of its committees conduct annual self-assessments to review and monitor their respective continued effectiveness. The Board has determined that in light of its status as a "controlled company," the proposed size, composition and structure (including committee structure) to be implemented following the 2015 Annual Meeting are appropriate for the Board to continue to function effectively and efficiently. The Company believes that its separation of the Chairman and Chief Executive Officer positions and its overall board leadership structure are appropriate.

Audit Committee

Composition of the Audit Committee

The Audit Committee is currently comprised of Messrs. Bernikow (Chairman) and Feldberg and Diana Cantor and Kathi Seifert. Following the 2015 Annual Meeting and assuming the election of all directors named under Proposal No. 1 (Election of Directors), the Audit Committee is expected to consist of Messrs. Bernikow (Chairman), Feldberg and Dinh, each of whom the Board of Directors has determined satisfies the NYSE's and the SEC's audit committee independence and financial experience requirements.

The Company has determined that Mr. Bernikow qualifies as an "audit committee financial expert," under applicable SEC rules. In accordance with applicable NYSE listing standards, the Company's Board of Directors has considered Mr. Bernikow's simultaneous service on the audit committees of more than three public companies, namely the audit committees of the Company, Destination XL, Mack-Cali, FCB Financial and the UBS Funds, and has determined that such service does not impair his ability to effectively serve on the Company's Audit Committee as, among other things, Mr. Bernikow is retired and, accordingly, has a flexible schedule and time to commit to service as an Audit Committee and Board member, including on a full-time basis, if necessary; he has significant professional accounting experience and expertise, which renders him highly qualified to effectively and efficiently serve on multiple audit committees; the audit committees of the UBS Funds effectively function as a single, consolidated audit committee; and Mr. Bernikow has served as a member of the Company's Audit Committee since 2003 and his service on the other audit committees noted has not impaired his ability to effectively serve on the Company's Audit Committee during this period.

Audit Committee Charter

The Audit Committee operates under a comprehensive written charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Audit Committee Responsibilities

Pursuant to its charter, the Audit Committee is responsible for assisting the Board of Directors in fulfilling its oversight responsibilities with respect to, among other things, the integrity of the Company's financial statements and disclosures; the Company's compliance with legal and regulatory requirements; the appointment, compensation, retention and oversight of the Company's independent auditors, as well as their qualifications, independence and performance; enterprise risk assessment and the Company's risk management guidelines, processes and policies; and the performance of the Company's internal audit functions. The Audit Committee is also responsible for preparing the annual Audit Committee Report, which is required under SEC rules to be included in this Proxy Statement (see "Audit Committee Report," below). The Audit Committee has an Audit Committee Pre-Approval Policy for pre-approving all permissible audit and non-audit services performed by the Company's independent auditor. See "Annex B — REVLON, INC. 2015 AUDIT COMMITTEE PRE-APPROVAL POLICY."

Audit Committee Complaint Procedures

The Audit Committee has established procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. These complaint procedures are described in the Audit Committee’s charter.

Audit Committee Report

Management represented to the Audit Committee that the Company’s audited consolidated financial statements for the fiscal year ended December 31, 2014 were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed such audited consolidated financial statements with management and KPMG LLP (“KPMG”), the Company’s independent registered public accounting firm.

The Audit Committee discussed with the Company’s independent registered public accounting firm those matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the “PCAOB”), including information concerning the scope and results of the audit and information relating to KPMG’s judgments about the quality, and not just the acceptability, of the Company’s accounting principles. These communications and discussions are intended to assist the Audit Committee in overseeing the Company’s financial reporting.

The Audit Committee has received the written disclosures and the letter from the Company’s independent registered public accounting firm, as required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the Company’s independent registered public accounting firm that firm’s independence.

The Audit Committee also reviewed, among other things, the amount of fees paid to the independent registered public accounting firm for audit and permissible non-audit services (see “Audit Fees” in this Proxy Statement, below). The Audit Committee has satisfied itself that KPMG’s provision of audit and non-audit services to the Company is compatible with KPMG’s independence.

Based on the Audit Committee’s review of and discussions regarding the Company’s audited consolidated financial statements and the Company’s internal control over financial reporting with management, the Company’s internal auditors and the independent registered public accounting firm and the other reviews and discussions with the independent registered public accounting firm referred to in the preceding paragraph, subject to the limitations on the Audit Committee’s roles and responsibilities described above and in the Audit Committee charter, the Audit Committee recommended to the Board of Directors that the Company’s audited consolidated financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the SEC.

Respectfully submitted,
Audit Committee

Compensation Committee

Composition of the Compensation Committee

The Compensation Committee is currently comprised of Messrs. Bernikow (Chairman) and Kretzman and Meses. Kurzman and Seifert. Following the 2015 Annual Meeting and assuming the election of all directors named under Proposal No. 1 (Election of Directors), the Board expects to assess and may decide to make changes to the composition and membership of the Compensation Committee.

Compensation Committee Charter

The Compensation Committee operates under a comprehensive written charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Compensation Committee's Responsibilities

Pursuant to its charter, the Compensation Committee currently reviews and approves corporate goals and objectives relevant to the compensation of the Company's Chief Executive Officer (the "CEO") and other Named Executive Officers, evaluates the CEO's and other Named Executive Officers' performance in light of those goals and objectives, together with the Nominating and Corporate Governance Committee, and determines, either as a committee or together with the Board of Directors, the CEO's and other Named Executive Officers' compensation level based on such evaluations. Following the 2015 Annual Meeting and assuming the election of all director nominees named in Proposal No. 1 (Election of Directors), the Compensation Committee expects to evaluate the CEO's and other Named Executive Officers' performance together with the Board. The Compensation Committee also reviews and approves compensation and incentive arrangements for certain of the Company's executive officers and such other Company employees as the Compensation Committee may determine to be necessary or desirable from time to time. The Compensation Committee also reviews and approves awards pursuant to the Fourth Amended and Restated Revlon, Inc. Stock Plan (the "Stock Plan") and the Revlon Executive Incentive Compensation Plan (the "Incentive Compensation Plan") and oversees the administration of such plans. While the Company did not implement any company-wide equity award program for 2014, during 2014, the Compensation Committee approved certain one-time grants of restricted stock under the Stock Plan to designated members of its senior management team, including the Named Executive Officers, which were intended to provide them with total compensation that is designed to be competitive to the Company's peer group and with an element of long-term incentive compensation designed to retain those senior executive leaders that the Company believes will effectively lead the execution of its strategy of value creation. For more information on these one-time grants of restricted stock, see "Grants of Plan-Based Awards - Equity Awards," below.

The Compensation Committee is also responsible for reviewing and discussing with the Company's appropriate officers the Compensation Discussion and Analysis included in this Proxy Statement. Based on such review and discussion, the Compensation Committee is also responsible for (i) determining whether to recommend to the Board that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K or in the annual proxy statement (and incorporated by reference into the Annual Report on Form 10-K) and (ii) producing the annual Compensation Committee Report and approving its inclusion in the Company's annual report on Form 10-K or in the annual proxy statement. The Compensation Committee also considers any potential conflicts of interest with its independent outside compensation consultant, and has determined that there were none.

Compensation Committee's Delegation of Authority

Pursuant to the terms of the Incentive Compensation Plan, the Compensation Committee may delegate to an administrator (who must be an employee or officer of the Company) the power and authority to administer the Incentive Compensation Plan for the Company's employees, other than its Chief Executive Officer and certain other officers who constitute "covered employees" as defined in Treasury Regulation §1.162-27(c)(2) ("Section 162(m) Officers"). Section 157(c) of the Delaware General Corporation Law (the "DGCL") provides that the Company's Board of Directors (or the Compensation Committee acting on behalf of the Board) may delegate authority to any officer of the Company to designate grantees of equity awards under the Stock Plan other than himself or herself and to determine the number of such equity awards to be issued. The Compensation Committee did not delegate any such authority for 2014.

Role of Officers and Consultants in the Compensation Committee’s Deliberations

For a discussion of the role of the Company’s executive officers and compensation consultants in recommending the amount or form of executive and director compensation, and the consideration of any possible conflicts of interest with the Compensation Committee’s independent outside compensation consultant, see “—Compensation Discussion and Analysis — Role of the Compensation Committee.”

Compensation Committee Interlocks and Insider Participation

The Compensation Committee does not have any interlocks or insider participation requiring disclosure under the SEC’s executive compensation rules.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth below in this Proxy Statement with the Company’s appropriate officers. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement, as well as in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2014, including by incorporation by reference to this 2015 Proxy Statement.

Nominating and Corporate Governance Committee

Composition of the Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is currently comprised of Messrs. Feldberg (Chairman), Dinh and Schwartz and Ms. Lee. As noted above, following the 2015 Annual Meeting and assuming the election of all directors named under Proposal No. 1 (Election of Directors), we expect the Board to take advantage of the NYSE’s “controlled company” exemption from the requirement to have a nominating and corporate governance committee, and we expect the Board to assume this function instead of a stand-alone committee. Given the Company’s “controlled company” status, the Board believes that this structure is appropriate.

Nominating and Corporate Governance Committee Charter

The Nominating and Corporate Governance Committee operates under a written charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Nominating and Corporate Governance Committee Responsibilities

Pursuant to its charter, the functions of the Nominating and Corporate Governance Committee include, among other things: identifying individuals qualified to become Board members; selecting or recommending to the Board proposed nominees for Board membership; recommending directors to the Board to serve on the Board’s standing committees; overseeing the evaluation of the Board’s performance; evaluating, together with the Compensation Committee, the CEO’s and senior management’s performance; overseeing the Revlon, Inc. Related Party Transaction Policy; overseeing the Company’s processes for succession planning for the CEO and other senior management positions; and periodically reviewing the Board’s Corporate Governance Guidelines and Independence Guidelines and recommending changes, if any, to the Board. Following the 2015 Annual Meeting, it is expected that the Audit Committee will oversee the Revlon, Inc. Related Party Transaction Policy and that the full Board will fulfill all other responsibilities currently handled by the Nominating and Corporate Governance Committee.

Director Nominating Processes; Diversity

The Nominating and Corporate Governance Committee currently identifies individuals qualified to become Board members when any vacancy occurs by reason of disqualification, resignation, retirement, death or an increase in the size of the Board. The Nominating and Corporate Governance Committee selects or recommends that the Board select director nominees for each annual stockholders’ meeting and director nominees to fill vacancies on the Board that may occur between annual stockholders’ meetings.

TABLE OF CONTENTS

In evaluating director nominees, the Nominating and Corporate Governance Committee is guided by, among other things, the principles for Board membership expressed in the Company's Corporate Governance Guidelines, which are available at www.revloninc.com under the heading, Investor Relations (Corporate Governance). The Nominating and Corporate Governance Committee, in identifying and considering candidates for nomination to the Board, considers, in addition to the requirements set out in the Company's Corporate Governance Guidelines and the Nominating and Corporate Governance Committee's charter, the quality of the candidate's experience, the Company's needs and the range of talent and experience represented on the Board.

In its assessment of each potential candidate, the Nominating and Corporate Governance Committee considers the nominee's reputation, judgment, accomplishments in present and prior positions, independence, knowledge and experience that may be relevant to the Company, and such other factors as the Nominating and Corporate Governance Committee determines to be pertinent in light of the Board's needs over time, including, without limitation, education, diversity, race, gender and other individual qualities and attributes that are expected to contribute to the Board having an appropriate mix of viewpoints. The Nominating and Corporate Governance Committee identifies potential nominees from various sources, such as officers, directors and stockholders, and from time to time may retain the services of third party consultants to assist it in identifying and evaluating director nominees.

As a result of the NYSE's "controlled company" exemption, following the 2015 Annual Meeting the Board does not intend to have a nominating and corporate governance committee or other committee performing nomination functions, and the Board intends to fulfill this role and follow the director nomination processes described above.

Stockholder Process for Submitting Director Nominees

Following the 2015 Annual Meeting, the Board will also consider director candidates recommended by stockholders. The process followed to evaluate candidates submitted by stockholders will not differ from the process followed for evaluating other director nominees. The Board may also take into consideration the number of shares held by the recommending stockholder, the length of time that such shares have been held and the number of candidates submitted by each stockholder or group of stockholders over the course of time. Stockholders desiring to submit director candidates must submit their recommendation in writing (certified mail — return receipt requested) to the Company's Secretary, at Revlon, Inc., One New York Plaza, 49th Floor, New York, NY 10004, attention: Michael T. Sheehan.

Recommendations for director candidates are accepted throughout the year by the Board. In order for a recommended director candidate to be considered for nomination to stand for election at an upcoming annual stockholders' meeting, the recommendation must be received by the Company, as set forth above, not less than 120 days prior to the anniversary date of the date of the Company's most recent annual proxy statement, which, for recommendations for the Company's 2015 Annual Meeting, was December 25, 2014. No such recommendations were received from stockholders for the 2015 Annual Meeting. To have a candidate considered for nomination (subject to requests for further information as may be determined by the Board), a stockholder must initially provide the following information:

- the stockholder's name and address, evidence of such stockholder's ownership of the Company's Class A Common Stock, including the number of shares owned and the length of time of continuous ownership, and a statement as to the number and names of director candidates such stockholder has previously submitted to the Company during the period that such stockholder has owned such shares;
- the name of the candidate;
- the candidate's resume or a listing of his or her qualifications to be a director of the Company;
- any other information regarding the candidate that would be required to be disclosed in a proxy statement filed with the SEC if the candidate were nominated for election to the Board; and
- the candidate's consent to be named as a director, if selected and nominated by the Board.

Stockholder-Director Communications

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Any stockholder or other interested party desiring to communicate with the Board or individual directors (including, without limitation, the non-management directors) regarding the Company may contact either the Board or such director by sending such communication to the attention of the Board or such director, in each case in care

of the Company's Secretary, who is responsible to ensure that all such communications are promptly provided to the Board or such director. Any such communication may be sent by: (i) emailing it to Michael T. Sheehan, Senior Vice President, Deputy General Counsel and Secretary, at michael.sheehan@revlon.com; or (ii) mailing it to Revlon, Inc., One New York Plaza, 49th Floor, New York, NY 10004, attention: Michael T. Sheehan. Non-Management Executive Sessions

The Company's Corporate Governance Guidelines provide that the Company's Board of Directors will regularly meet in executive session without any member of the Company's management being present and that the Company's independent directors will also meet in at least one non-management executive session per year attended only by independent directors. A non-management director will preside over each non-management executive session of the Board, and an independent director will preside over each independent director executive session of the Board, although the same director is not required to preside at all such non-management or independent director executive sessions. The presiding director at such non-management and independent director executive sessions of the Board is determined in accordance with the applicable provisions of the Company's By-laws, such that the Chairman of the Board of Directors or, in his absence (as is the case with independent executive sessions), a director chosen by a majority of the directors present will preside at such meetings. The Board of Directors met in at least one executive session, attended by only independent directors (all of whom constituted non-management directors) during 2014.

RISK MANAGEMENT

Relationship of Compensation Practices to Risk Management

The Company has reviewed and considered all of its compensation plans and practices and does not believe that its compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the Company.

Risk Oversight

The Company's senior management is responsible for identifying and managing risks to the Company's business and the Board's Audit Committee is responsible for reviewing and discussing that process with management. In accordance with applicable NYSE rules for listed issuers, the Audit Committee maintains an Audit Committee charter that addresses the duties and responsibilities of the Audit Committee, including the requirement that such committee discuss the Company's guidelines, policies and processes with respect to enterprise risk assessment and risk management. As part of the Company's enterprise risk management function, management identifies internal and external risk factors, monitors identified risks and takes appropriate action to mitigate such identified risks. Specifically, the Company's internal audit group, with input from the Company's senior management, leads a comprehensive enterprise risk assessment annually using a comprehensive risk management framework. This process identifies and characterizes risks based on the possible impact to the Company's business and likelihood of occurrence. The Company's management puts in place appropriate plans to mitigate the risks identified. The enterprise risk assessment is also taken into account in the formulation of the internal audit plan for the ensuing year. The Audit Committee reviews and discusses the Company's enterprise risk assessment and risk management guidelines, policies and processes at least annually. Further, the Board reviews the Company's business plan and

receives regular business and financial updates, including progress against the Company's business plan, at Board meetings, enabling the Board to understand, and remain updated regarding, the business risks faced by the Company and the Company's management of those risks.

COMPENSATION DISCUSSION AND ANALYSIS

The following is a discussion and analysis of all material elements of the Company's compensation of its Named Executive Officers, including: (i) the objectives of the Company's compensation program; (ii) what the compensation program is designed to reward; (iii) each element of compensation; (iv) why the Company chooses to pay each element; (v) how the Company determines the amount and, where applicable, the formula, for each element to pay; (vi) how each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and may affect decisions regarding other elements of compensation; and (vii) whether and, if so, how the Company has considered the results of the most recent stockholder advisory vote on executive compensation in determining its compensation policies and decisions.

Overview of Key 2014 Compensation Events

A summary of key aspects of the Company's 2014 compensation programs follows:

- **Overview of Compensation Programs:** For 2014, the Company's incentive compensation programs for its Named Executive Officers included: (1) an annual cash bonus program (the "2014 Annual Bonus Program"); (2) cash-based, long-term incentive program awards ("LTIPs") consisting of (a) the 2014 LTIP, (b) the remaining two-thirds portion of the previously-granted 2013 Transitional LTIP and (c) the first one-third portion of the 2014 Transitional LTIP (each such LTIP program is defined below); and (3) the 2014 Restricted Stock Grants (as defined below). The 2014 Annual Bonus Program, the 2014 LTIP, the remaining two-thirds portion of the 2013 Transitional LTIP, the first one-third portion of the 2014 Transitional LTIP and the 2014 Restricted Stock Grants are collectively referred to as the "2014 Incentive Compensation Programs."
- **2014 Restricted Stock Grants:** While the Company did not implement any company-wide equity award program for 2014, the Company's incentive compensation programs during 2014 consisted of certain one-time grants of restricted shares of the Company's Class A Common Stock (the "2014 Restricted Stock Grants") under the Stock Plan to designated members of its senior management team, including Messrs. Delpani, Pieraccioni and Simon. The 2014 Restricted Stock Grants were intended to provide these senior executives with total compensation that is designed to be competitive to the Company's peer group and with an element of long-term incentive compensation designed to retain those senior executives that the Company believes will effectively lead the execution of its strategy of value creation.
- **Amendments to 2013 LTIP and 2013 Transitional LTIP:** In March 2014, the Company's outstanding 2013 LTIP and 2013 Transitional LTIP awards with unfinished performance periods were amended to take into account (i) the Company's October 2013 acquisition of The Colomer Group ("TCG" and the "Colomer Acquisition"); (ii) the appointment of a new senior leadership team; and (iii) the preparation and implementation of the Company's new strategy of value creation. These modifications, which were approved by the Compensation Committee based upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, provide for (1) a payment opportunity for the 2013 LTIP in March 2016 based upon the average degree of the Company's achievement of its 2014 and 2015 performance targets, and (2) a payment opportunity for the remaining two-thirds of the target 2013 Transitional LTIP in March 2015 based upon the Company's degree of achievement of its 2014 performance targets (which were paid as described below). Prior to these modifications: (1) the Company's 2013 LTIPs provided for a single cash payment opportunity in March 2016 based on the cumulative degree of the Company's achievement of the relevant corporate performance targets for 2013, 2014 and 2015 (as amended, the "2013 LTIP"); and (2) in order to provide eligible LTIP grantees with comparable LTIP payout opportunities during 2014 and 2015, as the LTIP structure transitioned in 2013 from a 1-year performance period under its 2012 LTIP design to a multi-year performance period for 2013 and later years, the Company implemented the 2013 Transitional LTIPs. One-third of the 2013 Transitional LTIP target awards, adjusted for 2013 performance, were paid in March 2014 based on the Company's achievement of its 2013 performance targets and, prior to the modifications, the remaining two-thirds of the 2013 Transitional LTIP target awards were to be paid in March 2015 based upon the cumulative degree of the Company's achievement of its 2013 and 2014 performance targets (as amended, the "2013 Transitional LTIP").

• **Corporate Performance Targets for Cash-Based Incentive Programs:**

- **2014 Annual Bonus Program:** The 2014 Annual Bonus Program payments in March 2015 were based on the degree of the Company's achievement of the following performance targets: (1) a 2014 Adjusted EBITDA¹ target of \$344.4 million, weighted at 50% (the "2014 Adjusted EBITDA Performance Target"); (2) a 2014 net sales target of \$1,930.1 million, weighted at 25% (the "2014 Net Sales Performance Target"); and (3) a 2014 Net Working Capital Ratio² target of 7.15%, weighted at 25% (the "2014 Net Working Capital Ratio Performance Target" and, together with the 2014 Adjusted EBITDA Performance Target and the 2014 Net Sales Performance Target, the "2014 Annual Bonus Performance Targets"), in each case as adjusted to account for the 2014 Unusual Items (as defined in footnote 1 below) and after taking into account all incentive compensation accruals. Per the terms of their respective employment agreements: (i) Mr. Delpani was eligible for a target annual bonus of 100% of his base salary; and (ii) each of Messrs. Simon and Pieraccioni was eligible for a target annual bonus of 75% of his respective base salary.
- **2014 LTIP:** The Company's LTIP for 2014 (the "2014 LTIP") is payable in March 2017 based upon the average degree of the Company's achievement of its performance targets over three, 1-year periods (namely, 2014, 2015 and 2016). The 2014 LTIP's corporate performance targets for the 2014 performance year were: (1) the 2014 Adjusted EBITDA Performance Target, weighted at 50%; (2) the 2014 Net Sales Performance Target, weighted at 25%; and (3) a 2014 Free Cash Flow³ target of \$49.8 million, weighted at 25% (the "2014 Free Cash Flow Performance Target" and, together with the 2014 Adjusted EBITDA Performance Target and the 2014 Net Sales Performance Target, the "2014 LTIP Performance Targets"). In each case the targets are adjusted to account for the 2014 Unusual Items and measured after taking into account all incentive compensation accruals. Early in 2015 and 2016, the Company will recommend to the Compensation Committee for its approval the 2014 LTIP's Adjusted EBITDA, net sales and Free Cash Flow performance targets for the 2014 LTIP's 2015 and 2016 performance years, respectively (such targets for the 2014 LTIP's 2015 and 2016 performance years, together with the 2014 LTIP Performance Targets, being the "2014 LTIP 3-Year Performance Targets").
- **2014 Transitional LTIP:** The Company's corporate performance targets under the initial one-third portion of the 2014 Transitional LTIP, which were paid in March 2015, were the same as the 2014 LTIP Performance Targets and had the same weighting as the 2014 LTIP Performance Targets. In each case the targets are adjusted to account for the 2014 Unusual Items and measured after taking into account all incentive compensation accruals. The remaining two-thirds of the 2014 Transitional LTIP's target awards remain as a payment opportunity in March 2016, based upon the average degree of the Company's achievement of its: (i) Adjusted EBITDA performance target (weighted at 50%); (ii) net sales performance target (weighted at 25%); and (iii) Free Cash Flow performance target (weighted at 25%) in 2014 (being

¹ Adjusted EBITDA is a non-GAAP financial measure which, for 2014, the Company defined as income from continuing operations before interest, taxes, depreciation, amortization, stock-based compensation expense, gains/losses on foreign currency fluctuations, gains/losses on the early extinguishment of debt and miscellaneous expenses (the foregoing being the "Non-Operating Exclusions"), as well as to exclude non-cash stock compensation expense and certain other non-recurring items that are not directly attributable to the Company's underlying operating performance (the "2014 Unusual Items"), including charges for restructuring and related actions; expenses related to the acquisition and integration of TCG; inventory purchase accounting adjustments related to the acquisition of TCG, certain litigation expenses, and changes in the Company's method of calculating its inventory and bad debt reserves. In calculating Adjusted EBITDA, the Company excluded the effects of Non-Operating Exclusions and 2014 Unusual Items because the Company's management believed that some of these items may not occur in certain periods, the amounts recognized can vary significantly from period to period and these items do not facilitate an understanding of the Company's operating performance.

² Net Working Capital Ratio is determined by dividing (1) the Company's 2014 net working capital (defined as, non-cash current assets minus current liabilities, excluding taxes, debt and restructuring charges) by the Company's net revenues of the prior rolling 12-month period, calculated each month, beginning with the Company's net working capital as of January 31, 2014 by (2) the Company's net revenues for the February 1, 2014 through January 31, 2014 period, and then taking the average of each of those 12 monthly calculations made during 2014.

³ Free Cash Flow is a non-GAAP financial measure which, for 2014, the Company defined as net cash provided by operating activities, less capital expenditures for property, plant and equipment, plus proceeds from the sale of certain assets. Free Cash Flow excludes proceeds on sale of discontinued operations. Free Cash Flow does not represent the residual cash flow available for discretionary expenditures, as it excludes certain expenditures such as mandatory debt service requirements, which for the Company are significant.

the 2014 LTIP Performance Targets) and those approved by the Compensation Committee for the Company's 2015 performance year; except that the terms of Mr. Delpani's 2014 Transitional LTIP provide that it would be paid in March 2016 based on the average degree of the Company's achievement of these performance targets in 2014 and 2015.

- **2013 Transitional LTIP:** The Company's corporate performance targets under the remaining two-thirds portion of the previously-granted 2013 Transitional LTIP were the same as the 2014 LTIP Performance Targets and had the same weighting as the 2014 LTIP Performance Targets. In each case the targets are adjusted to account for the 2014 Unusual Items and measured after taking into account all incentive compensation accruals.
- **Payout Opportunities:**
 - **The 2014 Annual Bonus Program:** The 2014 Annual Bonus Program had a payout opportunity range of 0% to 150% of target bonus awards based on the extent to which the Company achieved the 2014 Annual Bonus Performance Targets. Also, the actual bonus payments under the 2014 Annual Bonus Program could range between 80% to 120% of the adjusted target bonus awards, based on, in the case of the Named Executive Officers, the Compensation Committee's certification of management's assessment of the extent to which each of the Named Executive Officers achieved his individual performance objectives under the Company's annual management review process, including performance factors approved by the Compensation Committee in March 2014 for certain of the Named Executive Officers.
 - **2014 LTIP:** The 2014 LTIP has a payout opportunity range of 0% to 150% of target based on (1) the extent to which the Company achieves the 2014 3-Year LTIP Performance Targets and (2) the Compensation Committee's certification of management's assessment that each respective Named Executive Officer achieved at least a target performance rating under the Company's annual management review process, including performance factors approved by the Compensation Committee for certain of the Named Executive Officers, for each performance year of the 2014 LTIP.
 - **2013 Transitional LTIP and 2014 Transitional LTIP:** The remaining two-thirds portion of the 2013 Transitional LTIP and the initial one-third portion of the 2014 Transitional LTIP had a payout opportunity range of 0% to 150% of target based on (1) the extent to which the Company achieved the 2014 LTIP Performance Targets and (2) the Compensation Committee's certification of management's assessment that each respective Named Executive Officer achieved at least a target performance rating under the Company's annual management review process, including the 2014 Performance Factors (as defined below) for certain of the Named Executive Officers.
- **Achievement of 2014 Corporate Performance Targets and Payouts:**
 - **Achievement of 2014 Corporate Performance Targets:** Based upon the Company's 2014 financial results and for purposes of the 2014 Annual Bonus Program, in February 2015, the Compensation Committee certified the Company's achievement of: (1) 108.7% of its 2014 Adjusted EBITDA Performance Target; (2) 101.6% of its 2014 Net Sales Performance Target; and (3) 88.3% of its 2014 Net Working Capital Ratio. For purposes of the remaining two-thirds portion of the 2013 Transitional LTIP and the initial one-third portion of the 2014 Transitional LTIP, the Compensation Committee certified the Company's achievement of: (1) 108.7% of its 2014 Adjusted EBITDA Performance Target; (2) 101.6% of its 2014 Net Sales Performance Target; and (3) 244.8% of its 2014 Free Cash Flow Performance Target.
 - **Funding Levels for the 2014 Compensation Programs:** In accordance with the terms and payout slopes of the 2014 Annual Bonus Program, the 2013 Transitional LTIP and the 2014 Transitional LTIP, in February 2015 the Compensation Committee approved funding at 144.3% of target each of: (i) the 2014 Annual Bonus Program; (ii) the remaining two-thirds portion of the 2013 Transitional LTIP; and (iii) the initial one-third portion of the 2014 Transitional LTIP, in each case, upon management's recommendation, and taking into account the Company's 2014 financial results compared to the 2014 Annual Bonus Performance Targets and the 2014 LTIP Performance Targets. For detail on the formulas used to calculate the achievement of these targets, the weighting of each target and the payout slopes for the 2014 Annual Bonus Program, the 2013 Transitional LTIP and the 2014 Transitional LTIP, see "Incentive Compensation; Long-Term Cash Compensation" and "Incentive Compensation; Annual Cash Bonus," below.

TABLE OF CONTENTS

- **Payment of Cash-Based Incentive Compensation:** In March 2015, the Company paid annual cash bonuses under the 2014 Annual Bonus Program, the remaining two-thirds portion of the 2013 Transitional LTIP and the initial one-third portion of the 2014 Transitional LTIP to its Named Executive Officers (other than Mr. Elshaw who left the Company in February 2014), as well as other employees eligible for awards under such programs. Such payments were made following the Compensation Committee's having: (i) certified the extent to which the Company achieved its 2014 Annual Bonus Performance Targets and the 2014 LTIP Performance Targets; (ii) certified management's assessment of the extent to which each Named Executive Officer achieved their performance rating under the Company's annual management review process, including performance factors for 2014 that were approved by the Compensation Committee in March 2014 for certain of the Named Executive Officers; and (iii) approved the 144.3% funding level for each such program (with certain of the Named Executive Officers receiving payments of 120% of that adjusted target under the Annual Bonus Program based on their outstanding performance ratings under their 2014 Performance Factors), all in accordance with the terms of each such program.
- **2014 "Say-on-Pay" Vote Results:** At the Company's 2014 Annual Stockholders' Meeting, approximately 99% of the Company's outstanding voting capital stock approved the "say-on-pay" proposal on the structure and payment of the Company's compensation for its named executive officers. The Company believes that the near unanimity of that vote represents an endorsement that the Company's compensation philosophy, processes and practices are appropriate for the Company.

Objectives of the Company's Compensation Program and What it is Designed to Reward

The Company's philosophy is to provide compensation programs that are reasonably designed to satisfy the following objectives:

- to pay for performance (by basing salary increases upon individual performance and basing incentive compensation payouts upon the degree to which the Company and the executive achieve their respective corporate and individual performance objectives, as approved by the Compensation Committee);
- to align the interests of management and employees with corporate performance and shareholder interests by rewarding performance that is directly linked to the degree to which the Company achieves its strategy of value creation; and
- to retain, attract and motivate exceptional performers and key contributors with the skills and experience necessary for the Company to achieve its strategy of value creation, which requires the Company's compensation programs to be competitive with the compensation practices of other companies.

Each Element of Compensation and Why the Company Chooses to Pay It

In order to achieve the objectives discussed above, the Company maintains a competitive compensation program which consists principally of the following three main components:

- (i) annual base salary;
- (ii) **Annual Bonuses:** eligibility for performance-based, annual cash bonuses under the Incentive Compensation Plan, which are contingent upon the Compensation Committee reviewing and certifying the extent to which the Company achieved its annual performance objectives (which objectives have also been reviewed and approved by the Compensation Committee), as well as the Compensation Committee's reviewing and certifying management's assessment of the extent to which the executive achieved a certain performance rating under the Company's annual management review process. The 2014 Annual Bonus Program had a payout opportunity range of 0% to 150% of target based on the extent to which the Company achieved the 2014 Annual Bonus Performance Targets. In addition, the 2014 Annual Bonus Program is subject to adjustment based upon each Named Executive Officer's individual performance, such that they could receive between 80% and 120% of their adjusted target award, based on the Compensation Committee's certification of management's assessment of the extent to which the executive achieved a certain performance rating under the Company's annual management review process, to enable comparatively higher-performing employees to be appropriately rewarded;
- (iii) **LTIPs:** eligibility for cash-based LTIP awards under the Incentive Compensation Plan, which are also contingent upon the Compensation Committee reviewing and certifying the extent to which the Company

achieved its performance objectives during the applicable performance period (which objectives have also been reviewed and approved by the Compensation Committee), as well as the Compensation Committee's reviewing and certifying management's assessment of each Named Executive Officer having achieved a satisfactory performance rating under the Company's annual management review process during each year of the respective LTIP's performance period.

- **2014 LTIP:** Since 2010, the Company has granted LTIP awards under its Incentive Compensation Plan as one element of compensation designed to enable the Company to maintain total compensation at competitive levels. For 2014, the Compensation Committee approved a new LTIP structure and design. The 2014 LTIP provides for a payment opportunity in March 2017, based upon the average degree of the Company's achievement of its: (i) Adjusted EBITDA (weighted at 50%); (ii) net sales (weighted at 25%); and (iii) Free Cash Flow (weighted at 25%) performance targets over three 1-year periods (2014, 2015 and 2016).
 - **2014 Transitional LTIP:** The 2014 Transitional LTIP provided for a payment opportunity in March 2015, with one-third of target award amounts based upon the degree of the Company's achievement of its 2014 LTIP Performance Targets. The remaining two-thirds of the 2014 Transitional LTIP target awards remain as a payment opportunity in March 2016, based upon the average degree of the Company's achievement in 2014 and 2015 of its: (i) Adjusted EBITDA (weighted at 50%); (ii) net sales (weighted at 25%); and (iii) Free Cash Flow (weighted at 25%) performance targets; except that the terms of Mr. Delpani's 2014 Transitional LTIP provide that it would be paid in March 2016 based on the average degree of the Company's achievement of its performance targets in 2014 and 2015.
 - **2013 Transitional LTIP:** Based upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, in March 2014 the Company's Compensation Committee approved modifications to the 2013 Transitional LTIPs to take into account (i) the October 2013 Colomer Acquisition; (ii) the appointment of a new senior leadership team; and (iii) the preparation and implementation of the Company's new strategy of value creation. These modifications provided for a payment opportunity in March 2015 for the remaining two-thirds of the target award amounts, based upon the degree of the Company's achievement of 2014 LTIP Performance Targets; and
- (iv) **One-Time Restricted Stock Grants:** eligibility for one-time grants of restricted shares of the Company's Class A Common Stock under the Stock Plan, to provide key members of the Company's senior management leadership team, including Messrs. Delpani, Pieraccioni and Simon, with total compensation that is designed to be competitive to the Company's peer group and with an element of long-term incentive compensation designed to retain those senior executives that the Company believes will effectively lead the execution of its strategy of value creation. These restricted shares will vest in 5 equal installments over 5 years (with the first vesting event for Messrs. Delpani and Pieraccioni having occurred on March 15, 2015), and in full upon any "change of control," provided that at the scheduled time of vesting the Named Executive Officer is then employed with the Company. The Named Executive Officers are required to retain such shares, even after they vested, so long as they remain employed by the Company.

Setting Pay; Market References

The Company's Human Resources Department and the Compensation Committee, with input from the Compensation Committee's outside compensation consultant, consider the compensation of the Named Executive Officers in order to reward and retain the Company's high-performing executives and provide them with incentives designed to maximize their performance in executing the Company's strategy of value creation.

As part of assessing of the compensation of the Named Executive Officers, the Company also compares each Named Executive Officer's total compensation to the total compensation for executives at comparison group companies, both within and outside of the consumer products industry. In this Proxy Statement, "total compensation" refers to base salary, annual cash bonus, annual vested value of the restricted stock awards and LTIP awards, unless otherwise noted. The Company seeks to design its total compensation opportunity to be competitive with these comparison group companies, as the Company believes that the market for certain executive talent is broader than the consumer products industry. When reviewing and setting Named Executive Officer compensation for 2014, the Company compared the total compensation of its executive officers to market compensation data for certain groups of companies in Towers Watson's U.S. compensation data banks for similarly situated executives (sometimes referred

to herein as “competitive benchmark norms” or “competitive benchmarks,” with such companies being referred to herein as the “Comparison Group”). The Comparison Group for 2014 consisted of the companies listed on Annex A.

Total Compensation

Comparing the Named Executive Officer’s 2014 total compensation against the 50th and the 75th percentiles of total compensation in the relevant Comparison Group reflected that: (i) Mr. Delpani’s total compensation was at the 75th percentile; (ii) Mr. Simon’s total compensation was at the 50th percentile; and (iii) Mr. Pieraccioni’s total compensation was at the 75th percentile.

Base Salary

Base salary adjustments are considered annually and may be based on individual performance, promotions and the assumption of new responsibilities, competitive data from the Comparison Group, employee retention efforts and the Company’s overall compensation guidelines and annual salary budget guidelines. Higher annual increases may be made to higher performers and key contributors.

Incentive Compensation; Generally

Plan Design:

For each year, the Company’s management recommends the corporate performance targets for its cash-based incentive compensation programs to the Compensation Committee for it to review and consider approving. The value of the one-time 2014 Restricted Stock Grants is based on the trading value of the Company’s Class A Common Stock. Linking the corporate performance targets for the cash-based incentive compensation programs directly to the extent to which the Company achieves its strategy of value creation is intended to have the effect of fostering shareholder value creation by appropriately motivating executives to achieve the Company’s financial and operational performance goals, while being challenging to attain. As noted above, the components of the Company’s 2014 Incentive Compensation Programs consisted of (1) the 2014 Annual Bonus Program; (2) the 2014 Restricted Stock Grants; (3) the 2014 LTIP; (4) the remaining two-thirds portion of the 2013 Transitional LTIP; and (5) the first one-third portion of the 2014 Transitional LTIP.

The Company’s President and Chief Executive Officer; Executive Vice President and Chief Financial Officer; Executive Vice President and Chief Legal and Administrative Officer; and senior Human Resource executives develop the objectives against which each Named Executive Officer’s performance, including the CEO’s, is assessed. The Compensation Committee also reviews and approves these objectives, having discussed them with its independent outside compensation consultant. These objectives are established by the Compensation Committee at the start of the performance period based on the Company’s future business plans. The Compensation Committee then reviews the objectives after the end of the designated performance period to assess and certify the extent to which they have been achieved based on the Company’s financial and operational results for the performance period.

In March 2014, the Compensation Committee approved and adopted performance-based incentive compensation factors for certain executives who serve on the Company’s senior management leadership team, namely: (A) for purposes of the 2014 Annual Bonus Program, performance objectives which consisted of: (1) the 2014 Adjusted EBITDA Performance Target, weighted at 50%; (2) the 2014 Net Sales Performance Target, weighted at 25%; and (3) the 2014 Net Working Capital Ratio Performance Target, weighted at 25%; and (B) for purposes of the remaining two-thirds portion of the 2013 Transitional LTIP and the first one-third portion of the 2014 Transitional LTIP, performance objectives which consisted of: (1) the 2014 Adjusted EBITDA Performance Target, weighted at 50%; (2) the 2014 Net Sales Performance Target, weighted at 25%; and (3) the 2014 Free Cash Flow Performance Target, weighted at 25% (collectively, the “2014 Performance Factors”). As Mr. Simon was not appointed as the Company’s Executive Vice President and Chief Financial Officer until September 2014, the Compensation Committee assessed his individual performance based on his objectives established under the Company’s annual management review process.

TABLE OF CONTENTS

The 2014 Performance Factors were comprised of quantitative financial measures which were the performance objectives adopted under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Section 162(m) Performance Factors"). The 2014 Performance Factors also included strategic and operational objectives linked directly to the extent to which the Company achieved its strategy of value creation (the "2014 Strategic Objectives"), which were used by the Compensation Committee to review and certify management's assessment of the extent to which each Named Executive Officer achieved a certain performance rating under the Company's annual management review process. Such ratings were used to determine the extent to which each Named Executive Officer was eligible to receive a payout of up to 120% of his annual adjusted target bonus awards in accordance with the terms of the 2014 Annual Bonus Program, as well as to certify management's assessment of each Named Executive Officer having achieved a satisfactory performance rating under the Company's annual management review process during the 2014 performance period under the remaining two-thirds portion of the 2013 Transitional LTIP and the first one-third portion of the 2014 Transitional LTIP.

Performance Measurement:

After each performance period, the Compensation Committee certifies the level of the Company's achievement of its corporate performance targets, which are used to calculate each program's adjusted funding level. The Compensation Committee then certifies management's assessment of the extent to which the respective Named Executive Officer achieved a certain performance rating under the 2014 Strategic Objectives portion of the 2014 Performance Factors. This individual performance rating is then used to calculate the degree to which the Named Executive Officer would be eligible to receive a payout ranging from 80% to 120% of the adjusted funding level.

Lawrence Alletto, the Company's former Executive Vice President, Chief Financial Officer and Chief Administrative Officer, remained eligible under his separation agreement for his full 2014 target bonus award of 75% of his base salary, pro-rated for his 274 days of service during 2014. While 2014 Performance Factors were adopted under Section 162(m) for Mr. Alletto, pursuant to his separation agreement, Mr. Alletto was paid his annual bonus as if he received a rating entitling him to a 100% payout of his adjusted target bonus, without regard to achievement of his personal objectives. Chris Elshaw, the Company's former Executive Vice President and Chief Operating Officer, was not eligible to receive any performance-based compensation in respect of 2014 based upon his leaving the Company in February 2014, and thus his 2014 performance was not assessed by the Compensation Committee.

In light of these senior management changes and the fact that certain incentive compensation was paid to Mr. Alletto pursuant to his separation agreement, the Compensation Committee considered the 2014 performance only for Messrs. Delpani, Simon and Pieraccioni, including, for Messrs. Delpani and Pieraccioni, achievement against their 2014 Performance Factors, and for Mr. Simon, achievement of his 2014 performance objectives established under the Company's annual management review process.

The Section 162(m) Performance Factors under Messrs. Delpani's and Pieraccioni's 2014 Performance Factors and Mr. Simon's 2014 performance objectives included (A) for purposes of the 2014 Annual Bonus Program: (i) the Company's degree of achievement of its 2014 Adjusted EBITDA Performance Target, on which 50% of Messrs. Delpani's, Pieraccioni's and Simon's target annual bonus awards were based; (ii) the Company's degree of achievement of its 2014 Net Sales Performance Target, on which 25% of Messrs. Delpani's, Pieraccioni's and Simon's target annual bonus awards were based; and (iii) the Company's degree of achievement of its 2014 Net Working Capital Ratio Performance Target, on which 25% of Messrs. Delpani's, Pieraccioni's and Simon's target annual bonus awards were based; and (B) for purposes of the LTIP awards for 2014: (i) the Company's degree of achievement of its 2014 Adjusted EBITDA Performance Target, on which 50% of Messrs. Delpani's, Pieraccioni's and Simon's target LTIP awards were based; (ii) the Company's degree of achievement of its 2014 Net Sales Performance Target, on which 25% of Messrs. Delpani's, Pieraccioni's and Simon's target LTIP awards were based; and (iii) the Company's degree of achievement of its 2014 Free Cash Flow Performance Target, on which 25% of Messrs. Delpani's, Pieraccioni's and Simon's target LTIP awards were based.

In February 2015, based on the extent of the Company's over-achievement of its 2014 Annual Bonus Performance Targets and its 2014 LTIP Performance Targets and applying the formulae of the 2014 Incentive Compensation Programs, the Compensation Committee approved a 144.3% funding level for each of (i) the 2014 Annual Bonus Program; (ii) the remaining two-thirds portion of the 2013 Transitional LTIP with the 2014 performance period; and (iii) the initial one-third portion of the 2014 Transitional LTIP with the 2014 performance period. As noted above, the terms of Mr. Delpani's 2014 Transitional LTIP provide that it would be paid in March 2016 based on the average degree of the Company's achievement of its performance targets in 2014 and 2015.

TABLE OF CONTENTS

After reviewing and considering management's assessment of Messrs. Delpani's and Pieraccioni's 2014 Performance Factors (and Mr. Simon's individual performance based on his objectives established under the Company's annual management review process), including their individual key achievements during 2014, as listed below, in February 2015 the Compensation Committee certified that: (i) Messrs. Delpani and Pieraccioni achieved their 2014 Performance Factors with a performance rating for their 2014 Strategic Objectives that entitled them to a payout of 120% of the adjusted annual bonus awards; and (ii) Mr. Simon achieved a performance rating that entitled him to a payout of 100% of the adjusted annual bonus awards, in each case pursuant to the plan design and terms of the 2014 Annual Bonus Program. The Named Executive Officer's 2014 performance ratings also entitled them to their adjusted target LTIP awards. Such payout amounts are set forth in the "Summary Compensation Table" below.

Below is a summary of Messrs. Delpani's, Simon's and Pieraccioni's 2014 key achievements. In connection with the Compensation Committee's certification process, the Company's management provided these key achievements to the Compensation Committee in support of management's assessment of each Named Executive Officer's achievement of his individual 2014 Strategic Objectives under the 2014 Performance Factors in accordance with the terms of the 2014 Annual Bonus Program and the 2013 Transitional LTIPs and the 2014 Transitional LTIPs:

Payout of 2014 Incentive Compensation:

Accordingly, in February 2015, based upon the Compensation's Committee's review of management's assessment of the degree of the Company's achievement of its 2014 performance objectives and the executive's performance during 2014 (and in Mr. Alletto's case the contractual obligations described above), the Compensation Committee approved: (i) the payment of annual bonuses to Messrs. Delpani, Pieraccioni, Simon and Alletto under the 2014 Annual Bonus Program at 144.3% of an executive's target, with a further adjustment of 120% for Messrs. Delpani and Pieraccioni based on their outstanding achievement of the 2014 Strategic Objectives portion of their 2014 Performance Factors; and (ii) the payment to Mr. Delpani of the remaining two-thirds portion of the 2013 Transitional LTIP and to Messrs. Pieraccioni and Simon the initial one-third portion of the 2014 Transitional LTIP, in each case at 144.3% of an executive's target award, as set forth in the "Summary Compensation Table," below. Such payments were made in March 2015.

TABLE OF CONTENTS

The Company's confidentiality and non-competition agreement (which all employees, including the Named Executive Officers, are required to execute), Stock Plan and Incentive Compensation Plan condition each employee's eligibility for benefits (including the LTIP awards and 2014 annual cash bonuses) upon compliance with certain confidentiality, non-competition and non-solicitation obligations.

Incentive Compensation; Annual Cash Bonus

Approximately 900 employees, including the Named Executive Officers, were eligible to participate in the 2014 Annual Bonus Program. Mr. Elshaw was not eligible for any award under the 2014 Annual Bonus Program due to his ceasing employment with the Company in February 2014.

Performance Targets:

The performance objectives for the Named Executive Officers under the 2014 Annual Bonus Program included the Company's achievement of its: (1) 2014 Adjusted EBITDA Performance Target (weighted at 50%); (2) 2014 Net Sales Performance Target (weighted at 25%); and (3) 2014 Net Working Capital Ratio Performance Target (weighted at 25%). In each case, the Company's achievement of its performance targets are measured after taking into account the 2014 Unusual Items and all incentive compensation accruals. Receipt of a bonus award under the 2014 Annual Bonus Program was further conditioned upon the participant's achievement of a performance rating of "target" or higher under the Company's 2014 performance management review process. The exact payout amount was further subject to the extent to which a Named Executive Officer achieved his individual 2014 Strategic Objective under the 2014 Performance Factors.

Per the terms of their respective employment agreements, (i) Mr. Delpani was eligible for a target bonus of 100% of his base salary and (ii) each of Messrs. Pieraccioni, Simon and Alletto was eligible for a target bonus of 75% of his respective base salary. Pursuant to his separation agreement, Mr. Alletto's target award opportunity was paid as though he received a target performance rating and was pro-rated through his September 30, 2014 termination date. Mr. Elshaw was not eligible for 2014 incentive compensation based on his ceasing employment with the Company in February 2014.

Payout Slopes:

The terms of the 2014 Annual Bonus Program included the following payout slopes for measuring the adjusted target awards based upon the level of achievement against the respective corporate performance targets:

- Adjusted EBITDA Payout Slope: Funding would be at 100% of the target award for 100% achievement of the 2014 Adjusted EBITDA Performance Target. For every 1 point of achievement under 100% of the 2014 Adjusted EBITDA Performance Target, the funding level would decrease by 10 points to a minimum funding level of 0% at 90% achievement of this target. For every 1 point of achievement over 100% of the 2014 Adjusted EBITDA Performance Target, the funding level would increase by 5 points, to a maximum payout of 150% if the Company achieved 110% or more of this target.
- Net Sales Payout Slope: Funding would be at 100% of the target award for 100% achievement of the 2014 Net Sales Performance Target. For every 1 point of achievement under 100% of the 2014 Net Sales Performance Target, the funding level would decrease by 25 points to a minimum funding level of 0% at 96% achievement of the 2014 Net Sales Performance Target. For every 1 point of achievement over 100% of the 2014 Net Sales Performance Target, the funding level would increase by 25 points, to a maximum payout of 150% if the Company achieved 102% or more of this target.
- Net Working Capital Ratio Payout Slope: Funding would be at 100% of the target award for 100% achievement of the 2014 Net Working Capital Ratio Performance Target. For every 1 point of achievement over (i.e., worse than) 100% of the 2014 Net Working Capital Ratio Performance Target, the funding level would decrease by 12.5 points to a minimum funding level of 0% at 108% achievement of this target. For every 1 point of achievement under (i.e., better than) 100% of the 2014 Net Working Capital Ratio Performance Target, the funding level would increase by 12.5 points, to a maximum payout of 150% if the Company achieved 96% or more of this target.

TABLE OF CONTENTS

Calculation of Funding Level:

Following the above formula for achievement of the corporate performance targets, weighting of targets and payout slopes, while taking into account the 2014 Unusual Items, in March 2015 the Compensation Committee approved funding the 2014 Annual Bonus Program at 144.3% of target, in accordance with the plan design and terms of the 2014 Annual Bonus Program. The 144.3% funding level was calculated as follows:

- Based on the above payout slopes, (i) the Company's achievement of \$374.4 million of Adjusted EBITDA for 2014 (after adjusting to account for the 2014 Unusual Items), or 108.7% of its 2014 Adjusted EBITDA Performance Target, yielded a payout at 143.5% of target; (ii) the Company's achievement of \$1,960.8 million of net sales for 2014 (after adjusting to account for the 2014 Unusual Items), or 101.6% of its 2014 Net Sales Performance Target, yielded a payout at 140% of target; and (iii) the Company's achievement of a 6.3% of Net Working Capital Ratio for 2014, or 88.3% of its 2014 Net Working Capital Ratio Performance Target, yielded a payout at 150% of target.
- Then, applying the respective weightings to each of these corporate performance targets, the Company achieved Adjusted EBITDA of 71.8% (or the 50% weighting multiplied by the 143.5% level of achievement against target), plus net sales of 35% (or the 25% weighting multiplied by the 140% level of achievement against target), plus a Net Working Capital Ratio of 37.5% (or the 25% weighting multiplied by the 150% level of achievement against target), resulting in a total funding level of 144.3% for the 2014 Annual Bonus Program, calculated by adding each of these variables.

2014 Annual Bonus Program Awards:

As a result, each Named Executive Officer's potential target bonus was effectively increased to 144.3%, before taking into account any impact of the Named Executive Officer's individual performance against the 2014 Strategic Objectives under his 2014 Performance Factors, which could then increase or decrease his bonus payout within the prescribed range of 80% to 120% of target.

Accordingly, based upon its certification of management's assessment of the extent to which each of the Named Executive Officers achieved their 2014 Performance Factors, and taking into account the 144.3% funding level of the 2014 Annual Bonus Program, the Compensation Committee approved paying the following bonus awards under the 2014 Annual Bonus Program:

- Mr. Delpani was awarded an annual bonus for 2014 of \$2,077,920, representing 120% of his 2014 adjusted target bonus of \$1,731,600 and 173.2% of his 2014 un-adjusted target bonus of \$1,200,000;
- Mr. Pieraccioni was awarded an annual bonus for 2014 of \$779,220, representing 120% of his 2014 adjusted target bonus of \$649,350 and 173.2% of his 2014 un-adjusted target bonus of \$450,000;
- Mr. Simon was awarded an annual bonus for 2014 of \$649,350, representing 100% of his 2014 adjusted target bonus of \$649,350 and 144.3% of his 2014 un-adjusted target bonus of \$450,000; and
- Mr. Alletto was awarded an annual bonus for 2014 of \$619,240, representing 100% of his 2014 adjusted target bonus of \$619,240 and 144.3% of his 2014 un-adjusted target bonus of \$429,134 (after pro-ration through his September 30, 2014 termination date, consistent with the terms of his separation agreement).

All of the annual bonus awards were paid to the eligible Named Executive Officers pursuant to the terms of the 2014 Annual Bonus Program and the Compensation Committee did not exercise any discretion in approving such awards.

The "Summary Compensation Table" below reflects the annual bonus award amounts that were earned by the eligible Named Executive Officers under the 2014 Annual Bonus Program, which were paid in March 2015.

Incentive Compensation; Long-Term Cash Compensation

LTIPs – Overview:

LTIP awards comprise the third principal component of total compensation for the Company's Named Executive Officers and certain other key employees. Since 2010, the Company has granted LTIP awards under its Incentive Compensation Plan as one element of compensation designed to enable the Company to maintain total compensation at competitive levels. The 2014 LTIP provides for a payment opportunity in March 2017, based upon the average degree of the Company's achievement of its performance targets over three 1-year periods (2014, 2015 and 2016).

TABLE OF CONTENTS

To compensate for the fact that the 2014 LTIP awards are payable in March 2017, the 2014 Transitional LTIP provided for a payment opportunity of one-third of target award amounts in March 2015, based upon the degree of the Company's achievement of its 2014 LTIP Performance Targets. The remaining two-thirds of the 2014 Transitional LTIP target awards remain as a payment opportunity in March 2016, based upon the average degree of the Company's achievement of its performance targets in 2014 and 2015. In addition, in March 2014 the Compensation Committee approved, based upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, amending the 2013 Transitional LTIP program to provide for a payment opportunity in March 2015 for the remaining two-thirds portion of the 2013 Transitional LTIP target award amounts, based upon the degree of the Company's achievement of its 2014 LTIP Performance Targets.

The grant of target awards under the 2014 LTIP, the 2013 Transitional LTIP and the 2014 Transitional LTIP were each structured as flat dollar amounts, tiered to levels of responsibility within the organization. Approximately 90 senior employees, including the Company's Named Executive Officers remaining employed at December 31, 2014, were eligible to participate in these LTIP programs covering in whole or in part, the 2014 performance year. Each of Messrs. Delpani, Pieraccioni and Simon was entitled to LTIP compensation in respect to their 2014 performance. For more information on the target amounts of the 2014 LTIP and the 2014 Transitional LTIP awards that were granted to Named Executive Officers in the last completed fiscal year, see the table under "GRANTS OF PLAN-BASED AWARDS - Non-Equity Awards," below.

These target amounts were determined as part of the Company's focus to develop a total compensation opportunity that is intended to be competitive such that the level of total compensation (i.e., base salary, annual cash bonus, LTIP and restricted stock grants, combined) is targeted to be positioned at or about the 50th to 75th percentile of competitive benchmark norms, while also providing a certain level of internal pay equity among the most senior executives on the Company's senior management leadership team.

2013 Transitional LTIP:

Performance Targets:

The Company's corporate performance targets under the remaining two-thirds of the 2013 Transitional LTIP payout in March 2015 included the following: (1) the 2014 EBITDA Performance Target, weighted at 50%; (2) the 2014 Net Sales Performance Target, weighted at 25%; and (3) the 2014 Free Cash Flow Performance Target, weighted at 25%. In each case, these targets are adjusted to account for the 2014 Unusual Items and calculated after giving effect to all incentive compensation accruals.

Payout Slopes:

The terms of the 2013 Transitional LTIP, as approved by the Compensation Committee based upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, included the following payout slopes for measuring the adjusted target awards based upon the level of achievement against the respective corporate performance targets:

- Adjusted EBITDA Payout Slope: Funding would be at 100% of the target award for 100% achievement of the 2014 Adjusted EBITDA Performance Target. For every 1 point of achievement under 100% of the 2014 Adjusted EBITDA Performance Target, the funding level would decrease by 10 points to a minimum funding level of 0% at 90% achievement of this target. For every 1 point of achievement over 100% of the 2014 Adjusted EBITDA Performance Target, the funding level would increase by 5 points, to a maximum payout of 150% if the Company achieved 110% or more of this target.
- Net Sales Payout Slope: Funding would be at 100% of the target award for 100% achievement of the 2014 Net Sales Performance Target. For every 1 point of achievement under 100% of the 2014 Net Sales Performance Target, the funding level would decrease by 25 points to a minimum funding level of 0% at 96% achievement of the 2014 Net Sales Performance Target. For every 1 point of achievement over 100% of the 2014 Net Sales Performance Target, the funding level would increase by 25 points, to a maximum payout of 150% if the Company achieved 102% or more of this target.
- Free Cash Flow Payout Slope: Funding would be at 100% of the target award for 100% achievement of the 2014 Free Cash Flow Performance Target. For every 1 point of achievement under 100% of the 2014 Free Cash Flow

TABLE OF CONTENTS

Performance Target, the funding level would decrease by 10 points to a minimum funding level of 0% at 90% achievement of this target. For every 1 point of achievement over 100% of the 2014 Free Cash Flow Performance Target, the funding level would increase by 5 points, to a maximum payout of 150% if the Company achieved 110% or more of this target.

Calculation of Funding Level:

Following the above formula for achievement of the 2014 LTIP Performance Targets, weighting of targets and payout slopes, while taking into account the 2014 Unusual Items, the Compensation Committee, based upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, approved funding and paying the remaining two-thirds portion of the 2013 Transitional LTIP awards at 144.3% of target, which means that each Named Executive Officer's target for the remaining two-thirds portion of the 2013 Transitional LTIP awards was effectively increased to 144.3%.

The 144.3% funding level was calculated as follows:

- Based on the above payout slopes: (i) the Company's achievement of \$374.4 million of Adjusted EBITDA for 2014 (after adjusting to account for the 2014 Unusual Items), or 108.7% of its 2014 Adjusted EBITDA Performance Target, yielded a payout at 143.5% of target; (ii) the Company's achievement of \$1,960.8 million of net sales for 2014 (after adjusting to account for the 2014 Unusual Items), or 101.6% of its 2014 Net Sales Performance Target, yielded a payout at 140% of target; and (iii) the Company's achievement of \$121.9 million of Free Cash Flow for 2014, or 244.8% of its 2014 Free Cash Flow Performance Target, yielded a payout at 150% of the target.
- Then, applying the respective weightings to each of these corporate performance targets, the Company achieved Adjusted EBITDA of 71.8% (or the 50% weighting multiplied by the 143.5% level of achievement against target), plus net sales of 35% (or the 25% weighting multiplied by the 140% level of achievement against target) and plus Free Cash Flow of 37.5% (or the 25% weighting multiplied by the 150% level of achievement against target), resulting in a total funding level of 144.3% for the remaining two-thirds portion of the 2013 Transitional LTIP awards, calculated by adding each of these variables.

2013 Transitional LTIP Award:

Accordingly, based upon the Compensation Committee's certification of management's assessment that Mr. Delpani achieved at least a target performance rating under the Company's annual management review process (including the 2014 Performance Factors), and taking into account the 144.3% funding level of the remaining two-thirds portion of the 2013 Transitional LTIP, the Compensation Committee approved paying the following 2013 Transitional LTIP awards:

- Mr. Delpani was paid a \$1,122,333 2013 Transitional LTIP award, representing the remaining two-thirds of his \$2,000,000 target award attributable to the 2014 performance period, as adjusted by the 2014 144.3% funding level and pro-rated based on his time at the Company over the 2013 and 2014 performance periods.

Mr. Delpani's 2013 Transitional LTIP award was paid pursuant to the terms of the 2013 Transitional LTIP program and the Compensation Committee did not exercise any discretion in approving such award.

The "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table," below, reflects the 2013 Transitional award that was earned by Mr. Delpani for the 2014 performance year, which award was paid in March 2015.

2014 LTIP and 2014 Transitional LTIP:

By conditioning payments on the average degree of the Company's achievement of its performance targets over three 1-year periods (2014, 2015 and 2016), the 2014 LTIP is designed to: (i) motivate key employees to focus on the Company's long-term business goals, including execution of the Company's strategy of value creation; (ii) provide more effective retention incentives; (iii) better align the Company's LTIP with more customary long-term incentive programs; and (iv) better distinguish the Company's long-term compensation from its annual bonus programs under which eligibility for annual bonus payments is based upon one year of the Company's and the executive's performance.

The initial one-third portion of the 2014 Transitional LTIP provided a payment opportunity in March 2015 based on 2014 performance. The remaining two-thirds portion of the 2014 Transitional LTIP provides a further payment

opportunity in March 2016, based on the average degree of the Company's achievement of its 2014 and 2015 performance objectives. The 2014 Transitional LTIPs were developed to compensate for the fact that the 2014 LTIP awards are not payable until March 2017 based upon the average degree of the Company's achievement of its performance targets over three 1-year periods (2014, 2015 and 2016). As noted above, the terms of Mr. Delpani's 2014 Transitional LTIP provide that it would be paid in March 2016 based on the average degree of the Company's achievement of its performance targets in 2014 and 2015.

LTIP payments are also subject to the Named Executive Officer achieving at least a target performance rating under the Company's annual management review process for each performance year of the LTIP, including the 2014 Performance Factors approved by the Compensation Committee for certain of the Named Executive Officers.

Performance Targets:

- The Company's corporate performance targets under the 2014 LTIP, which is payable in March 2017, are based upon the average degree of the Company's achievement of its performance targets over three 1-year periods (2014, 2015 and 2016), as to: (1) Adjusted EBITDA, weighted at 50% (including for 2014 the 2014 EBITDA Performance Target); (2) net sales, weighted at 25% (including for 2014 the 2014 Net Sales Performance Target); and (3) Free Cash Flow, weighted at 25% (including for 2014 the 2014 Free Cash Flow Performance Target). In each case, these targets are adjusted to account for the 2014 Unusual Items (and comparable unusual items for the 2015 and 2016 performance years) and calculated after giving effect to all incentive compensation accruals.
- The Company's corporate performance targets under the 2014 Transitional LTIP for its initial one-third payout in March 2015 included the following: (1) the 2014 EBITDA Performance Target, weighted at 50%; (2) the 2014 Net Sales Performance Target, weighted at 25%; and (3) the 2014 Free Cash Flow Performance Target, weighted at 25%. In each case, these targets were adjusted to account for the 2014 Unusual Items and calculated after giving effect to all incentive compensation accruals.
- The Company's corporate performance targets for the remaining two-thirds payout opportunity under the 2014 Transitional LTIP, payable in March 2016, are based upon the average degree of the Company's achievement of its 2014 and 2015 performance targets, as to: (1) Adjusted EBITDA, weighted at 50% (including for 2014 the 2014 EBITDA Performance Target); (2) net sales, weighted at 25% (including for 2014 the 2014 Net Sales Performance Target); and (3) Free Cash Flow, weighted at 25% (including for 2014 the 2014 Free Cash Flow Performance Target). In each case, these targets are adjusted to account for the 2014 Unusual Items (and comparable unusual items for 2015) and calculated after giving effect to all incentive compensation accruals.

Payout Slopes:

The terms of the 2014 LTIP and the 2014 Transitional LTIP include the following payout slopes for measuring the adjusted target awards based upon the level of achievement against the respective corporate performance targets:

- Adjusted EBITDA Payout Slope: Funding would be at 100% of the target award for 100% achievement of the Adjusted EBITDA target. For every 1 point of achievement under 100% of the Adjusted EBITDA target, the funding level would decrease by 10 points to a minimum funding level of 0% at 90% achievement of this target. For every 1 point of achievement over 100% of the Adjusted EBITDA target, the funding level would increase by 5 points, to a maximum payout of 150% if the Company achieved 110% or more of this target.
- Net Sales Payout Slope: Funding would be at 100% of the target award for 100% achievement of the net sales target. For every 1 point of achievement under 100% of the net sales target, the funding level would decrease by 25 points to a minimum funding level of 0% at 96% achievement of this target. For every 1 point of achievement over 100% of the net sales target, the funding level would increase by 25 points, to a maximum payout of 150% if the Company achieved 102% or more of this target.
- Free Cash Flow Payout Slope: Funding would be at 100% of the target award for 100% achievement of the Free Cash Flow target. For every 1 point of achievement under 100% of the Free Cash Flow target, the funding level would decrease by 10 points to a minimum funding level of 0% at 90% achievement of this target. For every 1 point of achievement over 100% of the Free Cash Flow target, the funding level would increase by 5 points, to a maximum payout of 150% if the Company achieved 110% or more of this target.

Calculation of Funding Level:

Following the above formula for achievement of the corporate performance targets, weighting of targets and payout slopes, while taking into account the 2014 Unusual Items, in accordance with the terms of the 2014 Transitional LTIP, in March 2015 the Compensation Committee, based upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, approved funding and paying the initial one-third portion of the 2014 Transitional LTIP awards at 144.3% of target, which means that each Named Executive Officer's target for the initial one-third portion of the 2014 Transitional LTIP awards was effectively increased to 144.3%.

The 144.3% funding level was calculated as follows:

- Based on the above payout slopes: (i) the Company's achievement of \$374.4 million of Adjusted EBITDA for 2014 (after adjusting to account for the 2014 Unusual Items), or 108.7% of its 2014 Adjusted EBITDA Performance Target, yielded a payout at 143.5% of target; (ii) the Company's achievement of \$1,960.8 million of net sales for 2014 (after adjusting to account for the 2014 Unusual Items), or 101.6% of its 2014 Net Sales Performance Target, yielded a payout at 140% of target; and (iii) the Company's achievement of \$121.9 million of Free Cash Flow for 2014, or 244.8% of its 2014 Free Cash Flow Performance Target, yielded a payout at 150% of the target.
- Then, applying the respective weightings to each of these corporate performance targets, the Company achieved Adjusted EBITDA of 71.8% (or the 50% weighting multiplied by the 143.5% level of achievement against target), plus net sales of 35% (or the 25% weighting multiplied by the 140% level of achievement against target) and plus Free Cash Flow of 37.5% (or the 25% weighting multiplied by the 150% level of achievement against target), resulting in a total funding level of 144.3% for the first one-third portion of the 2014 Transitional LTIP awards, calculated by adding each of these variables.

2014 Transitional LTIP Awards:

Accordingly, based upon the Compensation Committee's certification of management's assessment that the eligible Named Executive Officer achieved at least a target performance rating under the Company's annual management review process (including the 2014 Performance Factors for certain of the Named Executive Officers), and taking into account the 144.3% funding level of the first one-third portion of the 2014 Transitional LTIP, the Compensation Committee approved paying the following 2014 Transitional LTIP awards:

- Mr. Pieraccioni was paid a \$240,500 2014 Transitional LTIP award, representing the initial one-third of his \$500,000 target award attributable to the 2014 performance period, as adjusted by the 2014 144.3% funding level; and
- Mr. Simon was paid a \$96,200 2014 Transitional LTIP award, representing one-third of his \$200,000 target award attributable to the 2014 performance period, as adjusted by the 2014 144.3% funding level.

All of the 2014 Transitional LTIP awards were paid to the eligible Named Executive Officers pursuant to the terms of the 2014 Transitional LTIP program and the Compensation Committee did not exercise any discretion in approving such awards.

The "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table," below, reflects the 2014 Transitional LTIP awards that were earned by the eligible Named Executive Officers for the 2014 performance year, which awards were paid in March 2015.

Incentive Compensation; 2014 Restricted Stock Grants

The 2014 Restricted Stock Grants comprise the fourth principal component of total compensation for the Company's Named Executive Officers. While the Company did not implement a company-wide equity award program for 2014, upon management's recommendation and with input from the Compensation Committee's independent outside compensation consultant, the Compensation Committee approved the one-time 2014 Restricted Stock Grants to certain members of the Company's senior management team, including Messrs. Delpani, Pieraccioni and Simon. The 2014 Restricted Stock Grants were intended to provide these senior executives with total compensation that is designed to be competitive to the Company's peer group and with an element of long-term incentive compensation designed to retain those senior executives that the Company believes will effectively lead the execution of its strategy of value creation. Provided the respective Named Executive Officer remains employed by the Company on each

vesting date, these restricted shares will vest in 5 equal installments over 5 years (with the first vesting event for Messrs. Delpani and Pieraccioni having occurred on March 15, 2015), and in full upon any “change of control.” The Named Executive Officers are required to retain such shares, even after they vested, so long as they remain employed by the Company. The value of the one-time 2014 Restricted Stock Grants is based on the trading value of the Company’s Class A Common Stock. For more information on the 2014 Restricted Stock Grants, see “Summary Compensation Table” and “Outstanding Equity Awards at Fiscal Year-End,” below.

Other Compensation and Benefit Programs

The Company also maintains standard benefits that are consistent with those offered by other major corporations and which are generally available to all of the Company’s full-time employees (subject to meeting basic eligibility requirements). These plans, which include medical, dental, vision and life insurance coverage, are available to all U.S.-based, non-union employees.

The Company also maintains a limited number of benefit programs that are available to the Named Executive Officers and other senior employees qualifying for eligibility based on salary grade level. These benefits and perquisites include an automobile allowance or use of a Company automobile and limited reimbursement of certain costs for financial counseling and tax preparation. These types of benefits are commonly made available to senior executives at other major corporations and assist the Company in retaining and attracting key talent.

How the Company Determines the Amount (and, Where Applicable, the Formula) for Each Element of Compensation to Pay and How Each Compensation Element and the Company’s Decisions Regarding that Element Fit into the Company’s Overall Compensation Objectives and May Affect Decisions Regarding Other Elements of Compensation

The Company focuses annually on developing a total compensation opportunity that is intended to be competitive such that the level of total compensation (i.e., base salary, annual cash bonus, LTIPs and restricted stock grants, combined) is targeted to be positioned at or about the 50th to 75th percentile of competitive benchmark norms. Salary ranges, annual cash bonus plan targets, LTIP targets and the restricted stock grants are reviewed using a “total compensation” perspective under which total remuneration is targeted to be within certain ranges compared to the Comparison Group. Values and targets of each element may change from performance period to performance period.

The Company designs its compensation programs such that there is a correlation between the level of position and the degree of risk in compensation. Accordingly, the Company’s more senior executives with the highest levels of responsibility and accountability have a higher percentage of their total potential remuneration at risk (in the form of performance-based annual cash bonuses, performance-based LTIP awards and the restricted stock grants), than do employees with lower levels of responsibility and accountability. This means that a higher proportion of the Company’s more senior executives’ total potential compensation is based upon variable elements, than is the case with the Company’s employees with lower levels of responsibility and accountability.

Role of the Compensation Committee

The Compensation Committee reviews key components of each Named Executive Officer’s compensation, which enables the Compensation Committee to make informed decisions regarding future elements of compensation. Among other things, the Compensation Committee reviews and approves: (i) compensation for the Company’s Named Executive Officers; (ii) the structure of the Company’s annual bonus program under the Incentive Compensation Plan, including approving annual performance objectives for the Named Executive Officers and annually certifying management’s assessment of the extent to which those objectives have been achieved; (iii) the structure of the Company’s LTIPs under the Incentive Compensation Plan, including approving performance-based objectives and grants of LTIP awards for the Named Executive Officers and certifying management’s assessment of the extent to which those objectives have been achieved; and (iv) the structure of the Company’s one-time grants of restricted shares of the Company’s Class A Common Stock to the Named Executive Officers under the Stock Plan.

The Compensation Committee, based upon management’s recommendation and with input from the Compensation Committee’s outside independent compensation consultant, currently: (i) reviews and approves objectives relevant to the compensation of the Company’s Chief Executive Officer and certain other Named Executive Officers; (ii) evaluates, together with the Nominating and Corporate Governance Committee, the Chief Executive Officer’s and certain other Named Executive Officer’s performance in respect of those objectives; and (iii) determines the Chief Executive Officer’s and certain other Named Executive Officer’s total compensation level based on that evaluation

process. Following the 2015 Annual Meeting and assuming the election of all director nominees named in Proposal No. 1 (Election of Directors), the Compensation Committee expects to evaluate the CEO's and other Named Executive Officers' performance together with the Board.

The Company's Executive Vice President and Chief Legal and Administrative Officer works with the Company's Human Resources Department to recommend: (i) merit increase guidelines, if any, under the Company's salary administration program; (ii) the structure of the Company's annual bonus program under the Incentive Compensation Plan; (iii) the structure of the Company's LTIP awards under the Incentive Compensation Plan; and (iv) the structure of the Company's one-time grants of restricted shares of the Company's Class A Common Stock to the Named Executive Officers under the Stock Plan, including the 2014 Restricted Stock Grants.

As part of the Company's processes and procedures for determining the amount and form of executive officer and director compensation, the Company's Compensation Committee relies in part upon informed proposals and information provided by management, as well as market data, analysis and guidance provided by its outside compensation consultant. During 2014, the Compensation Committee consulted with and/or considered advice provided by its independent outside compensation consultant (Compensation Advisory Partners LLC ("CAP")) with respect to the structure and components of the Company's incentive compensation programs, as well as the total compensation of the Company's Named Executive Officers. During 2014, CAP only provided compensation advice to the Compensation Committee (or to the Company's Human Resources Department in respect to compensation survey data analysis and other executive compensation matters) and did not perform other services for the Company or the Compensation Committee, such as benefits administration, human resources consulting or actuarial services. The Compensation Committee approved CAP's engagement, upon management's recommendation, and based upon CAP's experience and qualifications. The Compensation Committee's Chairman reviews and approves all invoices from the outside compensation consultant prior to payment. The Compensation Committee has reviewed and discussed whether there are any conflicts of interest with CAP or CAP's compensation advisor to the Compensation Committee, and has determined that there are none.

As there has never been a restatement of the Company's financial results, the Company has not considered any policy in respect of adjustment or recovery of amounts paid under its compensation plans.

Whether and, if so, How the Company has Considered the Results of the Most Recent Stockholder Advisory Vote on Executive Compensation in Determining its Compensation Policies and Decisions

At the Company's June 2014 annual stockholders' meeting, approximately 99% of the Company's outstanding voting capital stock who voted, on an advisory, non-binding basis, approved the Company's "say-on-pay" proposal regarding the Company's executive compensation, including as disclosed in the "Compensation Discussion and Analysis," compensation tables and accompanying narrative set forth in the Company's 2014 proxy statement. At the Company's June 2011 annual stockholders' meeting, approximately 99% of the Company's outstanding voting capital stock who voted on the "say-on-pay" frequency proposal recommended, on an advisory, non-binding basis, that the Company conduct future "say-on-pay" votes every 3 years (which is the Company's current intention), with the last such say-on-pay vote occurring in June 2014. Although such advisory stockholder vote on executive compensation was non-binding, management considered the results of such advisory vote in determining the Company's compensation policies and decisions. The Company believes that the near unanimity of that vote represents an endorsement that the Company's compensation philosophy, processes and practices are appropriate for the Company.

Tax Deductibility of Executive Compensation

Section 162(m) places a limit of \$1,000,000 on the amount of compensation that the Company may deduct, for tax purposes, in any one year for certain officers who constitute "covered employees" under the rule, unless such amounts are determined to be "qualified performance-based compensation" meeting certain requirements. Generally, the Company's provision of cash incentive compensation under the Incentive Compensation Plan is intended to meet the requirements for qualified performance-based compensation under Section 162(m) and thus, generally, those items are intended to be fully deductible. Salary, perquisites, discretionary bonuses and restricted stock that have time-based vesting generally are not considered performance-based compensation under Section 162(m) and are generally subject to Section 162(m) limitations on deductibility. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a

[TABLE OF CONTENTS](#)

policy requiring all compensation to be deductible and retains discretion to award compensation that may not constitute qualified performance-based compensation under Section 162(m). Certain amounts of compensation for the Company's officers do not meet Section 162(m)'s performance-based requirements and therefore are not deductible by the Company.

EXECUTIVE COMPENSATION

The following table sets forth information for the years indicated concerning the compensation awarded to, earned by or paid to the persons who served as the Company’s Chief Executive Officer and the Chief Financial Officer during 2014 and the three other most highly paid executive officers of the Company during 2014 (collectively, the “Named Executive Officers”), for services rendered in all capacities to the Company and its subsidiaries during such periods. The “Non-Equity Incentive Plan Compensation” column of the Summary Compensation Table, below, presents annual bonus and LTIP payments earned under the Incentive Compensation Plan. As discussed above under “Compensation Discussion and Analysis – Overview of Key 2014 Compensation Events,” each of the 2014 Annual Bonus Program, the remaining two-thirds portion of the 2013 Transitional LTIP and the initial one-third portion of the 2014 Transitional LTIP was funded at 144.3% of target amounts in accordance with the formulae set forth in such programs, which funding level was also recommended by management and approved by the Compensation Committee.

- (c) The amounts set forth under the “Non-Equity Incentive Plan Compensation” column reflect the portion of the annual bonus and the given year’s LTIP awards earned by the Named Executive Officer and paid at or below target amounts pursuant to the terms of the 2014 Annual Bonus Program, the remaining two-thirds portion of the 2013 Transitional LTIP and the initial one-third portion of the 2014 Transitional LTIP (excluding any discretionary amounts, as there were none), based on the Compensation Committee’s certification of management’s assessment of the extent to which the Company and the respective Named Executive Officer achieved the applicable performance objectives.

For Mr. Delpani, for 2014, the amount set forth under the “Non-Equity Incentive Plan Compensation” column, which was paid in March 2015, reflects (i) \$2,077,920 in cash bonus, representing his target bonus of 100% of his annual base salary, as adjusted by the 2014 144.3% funding level based on the Company’s 2014 financial performance against the applicable performance targets, with a further adjustment of 120% based on his outstanding performance rating, in accordance with the terms of the 2014 Annual Bonus Program; plus (ii) \$1,122,333 in 2013 Transitional LTIP award, representing the remaining two-thirds of his \$2,000,000 target award attributable to the 2014 performance period, as adjusted by the 2014 144.3% funding level based on the Company’s financial performance against the applicable performance targets and pro-rated based on his time at the Company over the 24-month performance period.

For Mr. Pieraccioni, for 2014, the amount set forth under the “Non-Equity Incentive Plan Compensation” column, which was paid in March 2015, reflects (i) \$779,220 in cash bonus, representing his target bonus of 75% of his annual base salary, as adjusted by the 2014 144.3% funding level based on the Company’s 2014 financial performance against the applicable performance targets, with a further adjustment of 120% based on his outstanding performance rating, in accordance with the terms of the 2014 Annual Bonus Program; plus (ii) \$240,500 in 2014 Transitional LTIP award, representing the initial one-third of his \$500,000 target award attributable to the 2014 performance period, as adjusted by the 2014 144.3% funding level based on the Company’s 2014 financial performance against the applicable performance targets.

For Mr. Simon, for 2014, the amount set forth under the “Non-Equity Incentive Plan Compensation” column, which was paid in March 2015, reflects (i) \$649,350 in cash bonus, representing his target bonus of 75% of his annual base salary, as adjusted by the 2014 144.3% funding level based on the Company’s 2014 financial performance against the applicable performance targets,; plus (ii) \$96,200 in 2014 Transitional LTIP award, representing one-third of his \$200,000 target award attributable to the 2014 performance period, as adjusted by the 2014 144.3% funding level based on the Company’s 2014 financial performance against the applicable performance targets.

For Mr. Alletto, for 2014, the amount set forth under the “Non-Equity Incentive Plan Compensation” column, which was paid in March 2015, reflects \$619,240 in cash bonus, representing his target bonus of 75% of his annual base salary, as adjusted by the 2014 144.3% funding level based on the Company’s 2014 financial performance against the applicable performance targets and pro-rated through his September 30, 2014 termination date.

- (d) For Mr. Elshaw, who ceased employment with the Company in February 2014, the amounts under the “Change in Pension Value and Nonqualified Deferred Compensation Earnings” column for 2014 represent the change in pension value from January 1, 2014 to his distribution date (June 30, 2014 for the Retirement Plan, and August 31, 2014 for the Pension Equalization Plan). For 2013, the amount in the above column for Mr. Elshaw reflects a \$0 value, since there was a decrease in the net present value of his accumulated pension benefit. As

detailed below, the negative amounts represent a decrease in the net present value of the executive's accumulated pension benefit as of December 31, 2013, as compared to the net present value of the executive's accumulated pension benefit as of December 31, 2012. Such decreases are primarily attributable to an increase in the applicable discount rate assumption used to determine the net present values of their accumulated pension benefits. The amount for 2012 has been calculated based on the aggregate change in actuarial present value of Mr. Elshaw's accumulated benefit under the Retirement Plan and the Pension Equalization Plan from January 1 to December 31, 2012, based on, with respect to 2012, the assumptions as set forth in Note 15 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. The amount for 2012 has been calculated based on Mr. Elshaw's normal retirement age of 65 as specified in the Retirement Plan and Pension Equalization Plan. The Pension Equalization Plan is a non-qualified and unfunded plan. In May 2009, the Company amended the Retirement Plan and the Pension Equalization Plan to cease future benefit accruals under such plans after December 31, 2009. Accordingly, as Messrs. Delpani, Pieraccioni, Simon and Alletto joined the Company after these plans were frozen as of December 31, 2009, there are no amounts under such plans to report for these executives.

For Mr. Elshaw, this amount includes \$207, (\$2,601) and \$2,664 under the Retirement Plan and \$381, (\$2,537) and \$2,599 under the Pension Equalization Plan for 2014, 2013 and 2012, respectively.

- (e) Mr. Delpani. The amount shown under "All Other Compensation" for Mr. Delpani for 2014 consists of a car allowance in the amount of \$30,000; tax preparation and financial counseling services; profit sharing contributions under the Amended and Restated Revlon Excess Savings Plan (the "Excess Savings Plan") in the amount of \$42,825 and profit sharing under the 401(k) Plan; and matching contributions under the 401(k) Plan.

Mr. Pieraccioni. The amount shown under "All Other Compensation" for Mr. Pieraccioni for 2014 consists of a car allowance; tax preparation and financial counseling services; a one-time reimbursement for airfare for Mr. Pieraccioni's family in connection with an international business trip that Mr. Pieraccioni was required to make during the Thanksgiving holiday; \$69,712 of relocation allowance and assistance; a \$180,000 annual housing allowance; and profit sharing contributions under the 401(k) Plan.

Mr. Simon. The amount shown under "All Other Compensation" for Mr. Simon for 2014 consists of a car allowance, reimbursement of information technology expenses and a related income tax gross-up of \$2,376; tax preparation and financial counseling services; \$105,000 of relocation assistance; profit sharing contributions under the Excess Savings Plan; \$13,000 of matching contributions under the under the Colomer 401(k) & Profit Sharing Plan; and money purchase contributions under the Colomer Defined Contribution Plan.

Mr. Alletto. LTIP Awards

The Compensation Committee, at management’s recommendation, approved the award of performance-based LTIPs and annual cash bonuses under the 2014 Incentive Compensation Programs to eligible Named Executive Officers covering the 2014 performance period. Prior to approving such awards, the Compensation Committee approved the structure of the 2014 Incentive Compensation Programs, as well as performance targets applicable to both the Company and the Named Executive Officer. Amounts earned are based upon the Company’s degree of achievement of its respective performance targets for the applicable performance periods and the Named Executive Officer’s achieving at least a target performance rating under the Company’s management assessment process for each year covered by the LTIP’s performance period. The Compensation Committee reviews and certifies management’s assessment of the extent to which both the Company and each of the Named Executive Officers achieved their respective performance targets, prior to the Compensation approving the payment of the award amounts.

performance targets in 2014 and 2015; and (iii) Mr. Simon was eligible to receive \$66,667 of his award in March 2015 based on the degree of the Company's achievement of its 2014 performance targets and he remains eligible to receive \$333,333 of his award in March 2016 based on the average degree of the Company's achievement of its performance targets in 2014 and 2015. See the "Summary Compensation Table" above for quantification of the LTIP awards paid to each of the Named Executive Officer for the 2014 performance year. Payment to each Named Executive Officer is conditioned on the Named Executive Officer remaining employed with the Company on the payout date, unless provided otherwise in his employment agreement (see "Employment Agreements and Payments Upon Termination and Change of Control") and achieving during each year of the LTIP award's performance period at least a target performance rating under the Company's management review process, subject to management's assessment of such performance being certified by the Compensation Committee. Pursuant to its terms, the 2014 Transitional LTIP is not funded, and no award is payable, if the Company achieves less than 90% of its applicable Adjusted EBITDA and Free Cash Flow performance targets and less than 96% of its net sales performance targets (represented by the "Threshold" column, above). The 2014 Transitional LTIP is funded at the "Target" level if the Company achieves 100% of its applicable Adjusted EBITDA, Free Cash Flow and net sales performance targets. The 2014 Transitional LTIP is funded at 150% of the "Target" level if the Company's achieves 110% of its applicable Adjusted EBITDA and Free Cash Flow performance targets and 102% of its applicable net sales performance targets (represented by the "Maximum" column, above). The Company's corporate performance targets under the 2014 Transitional LTIP for its one-third payout in March 2015 included the following: (1) the Company's 2014 EBITDA Performance Target, weighted at 50%; (2) the Company's 2014 Net Sales Performance Target, weighted at 25%; and (3) the Company's 2014 Free Cash Flow Performance Target, weighted at 25%, in each case as adjusted to account for the 2014 Unusual Items and as calculated after taking into account all incentive compensation accruals. The Company's corporate performance targets for the remaining two-thirds payout opportunity under the 2014 Transitional LTIP are based upon the average degree of the Company's achievement of its performance targets in 2014 and 2015 as to: (1) Adjusted EBITDA (which for 2014 includes the 2014 EBITDA Performance Target), weighted at 50%; (2) net sales (which for 2014 includes the 2014 Net Sales Performance Target), weighted at 25%; and (3) Free Cash Flow (which for 2014 includes the 2014 Free Cash Flow Performance Target), weighted at 25%. For additional information about the 2014 Transitional LTIP, see "Compensation Discussion and Analysis — Incentive Compensation: Long-Term Compensation," above.

- (2) Awards under the 2014 LTIP are structured as flat dollar amounts that could be earned based upon the average degree of the Company's achievement of its applicable performance targets over three 1-year periods (2014, 2015 and 2016), conditioned on the Named Executive Officer achieving at least a target performance rating under the Company's management review process, subject to management's assessment of such performance being certified by the Compensation Committee. Under the 2014 LTIP, the Named Executive Officers are eligible to receive payment of their LTIP award in one installment in March 2017, conditioned on the Named Executive Officer remaining employed with the Company on the payout date, unless provided otherwise in his employment agreement (see "Employment Agreements and Payments Upon Termination and Change of Control") and achieving during each year of the LTIP award's performance period at least a target performance rating under the Company's management review process, subject to management's assessment of such performance being certified by the Compensation Committee. Pursuant to its terms, the 2014 LTIP is not funded, and no award is payable, if the Company achieves less than 90% of its applicable Adjusted EBITDA performance targets and Free Cash Flow performance targets and less than 96% of its net sales performance targets, on average over the 3-year performance period. The 2014 LTIP is funded at the "Target" level if the Company achieves 100% of its applicable Adjusted EBITDA, Free Cash Flow and net sales performance targets, on average over the 3-year performance period. The 2014 LTIP is funded at 150% of the "Target" level if the Company achieves 110% of its applicable Adjusted EBITDA and Free Cash Flow performance targets and 102% of its applicable net sales performance targets, on average over the 3-year performance period (represented by the "Maximum" column, above). The Company's corporate performance targets under the 2014 LTIP are based upon average degree of the Company's achievement of its performance targets over three 1-year periods (2014, 2015 and 2015), as to: (1) Adjusted EBITDA (which for 2014 includes the 2014 EBITDA Performance Target), weighted at 50%; (2) net sales (which for 2014 includes the 2014 Net Sales Performance Target), weighted at 25%; and (3) Free Cash Flow (which for 2014 includes the 2014 Free Cash Flow Performance Target), weighted at 25%. For additional information about the 2014 LTIP, see "Compensation Discussion and Analysis — Incentive Compensation: Long-Term Cash Compensation," above.

Chris Elshaw <i>Former EVP and Chief Operating Officer</i>	\$ 0	\$ 0	\$ 0

- (3) The amounts under this column represent the threshold, target and maximum payouts for annual cash bonuses under the 2014 Annual Bonus Program, based on 2014 performance against pre-established performance measures. The amount under the “Target” column represents the target award opportunity, which is set as a percentage of base salary under the Named Executive Officers’ respective employment agreements. Pursuant to its terms, the 2014 Annual Bonus Program would not be funded, and no award would be payable, if the Company achieved less than 90% of its 2014 Adjusted EBITDA Performance Target, less than 96% of its 2014 Net Sales Performance Target and 108% or more of its 2014 Net Working Capital Ratio Performance Target (represented by the “Threshold” column, above). The 2014 Annual Bonus Program could have been funded at the “Target” level if the Company had achieved 100% of its 2014 Adjusted EBITDA Performance Target, 2014 Net Sales Performance Target and 2014 Net Working Capital Ratio Performance Target. The 2014 Annual Bonus Program could have been funded at 150% of the “Target” level if the Company achieved 110% of its 2014 Adjusted EBITDA Performance Target, 102% of its 2014 Net Sales Performance Target and 96% of its 2014 Net Working Capital Ratio Performance Target (represented by the “Maximum” column, above). Also, the actual bonus payments under the 2014 Annual Bonus Program could flex between 80% to 120% of the adjusted target amounts, based on, in the case of the Named Executive Officers, the Compensation Committee’s certification of management’s assessment of the Named Executive Officer’s individual performance rating under the Company’s annual management review process, including performance factors approved by the Compensation Committee in March 2014 for certain of the Named Executive Officers. For additional information about the 2014 Annual Bonus Program, see “Compensation Discussion and Analysis — Incentive Compensation: Annual Cash Bonus,” above. Also, see the “Summary Compensation Table” above for quantification of the 2014 Annual Bonus awards paid to each of the Named Executive Officer for the 2014 performance year.
- (4) Pursuant to his employment agreement, during 2014 Mr. Delpani received a \$250,000 housing relocation bonus, payable monthly.
- (5) Pursuant to his separation agreement, Mr. Alletto was entitled to his 2014 target bonus at 75% of base salary, prorated through his September 30, 2014 termination date and subject to adjustment based on the Company’s performance against pre-established performance measures. See the “Summary Compensation Table” above for quantification of the 2014 Annual Bonus award paid to Mr. Alletto for the 2014 performance year.

Equity Awards

Delpani, Pieraccioni and Simon, as described in the table below, as well as other key members of the Company’s senior management leadership team, to provide them with total compensation that is designed to be competitive to the Company’s peer group and with an element of long-term incentive compensation designed to retain those senior executives that the Company believes will effectively lead the execution of its strategy of value creation. “change of control.” Messrs. Delpani and Pieraccioni had their first one-fifth vesting event on March 15, 2015 and Mr. Simon’s vesting events commence on March 15, 2016. The Named Executive Officers are required to retain such shares, even after they vested, so long as they remained employed by the Company.

The grant date fair values stated in the table below reflect the number of shares of restricted stock granted to the Named Executive Officers during 2014 multiplied by the NYSE closing market price of the Company’s Class A Common Stock on the applicable grant dates.

As the Company previously publicly reported on a Form DEF 14C filed with the SEC on July 3, 2014, the holders of a majority of the Company’s Class A Common Stock approved amending the stock plan to extend it for a 7-year renewal term, expiring April 14, 2021, and renaming it as the “Fourth Amended and Restated Revlon, Inc. Stock Plan” (the “Stock Plan”).

One-fifth of the restricted shares granted to Mr. Pieraccioni vested on March 15, 2015 and the remaining restricted shares vest in equal installments on March 15, 2016, March 15, 2017, March 15, 2018 and March 15, 2019, and in full upon any “change of control.”

PENSION BENEFITS

The following table shows, as of December 31, 2014, the number of years of credited service under the plans, and the present value of accumulated benefit and payments during the last fiscal year, with respect to each Named Executive Officer who has a benefit under the Retirement Plan and the Pension Equalization Plan, as described below. Messrs. Delpani, Pieraccioni, Simon and Alletto do not have any pension benefits, as they joined the Company after these plans were frozen effective December 31, 2009.

Chris Elshaw	Retirement Plan	2.00	29,390	29,390
<i>Former Executive Vice President and Chief Operating Officer</i>	Pension Equalization Plan	0.67	28,857	28,857

(a) The amounts set forth in the Pension Benefits Table for Mr. Elshaw, who ceased employment with the Company on February 25, 2014, are based on the assumptions set forth in Note 14 to the consolidated financial statements in the 2014 Form 10-K. These amounts have been calculated based on the normal retirement age of 65, as specified in the Retirement Plan and Pension Equalization Plan.

The Retirement Plan is intended to be a tax qualified defined benefit plan. The Pension Equalization Plan is a non-qualified and unfunded benefit plan. In May 2009, the Company amended the Retirement Plan and the Pension Equalization Plan to cease future benefit accruals under such plans after December 31, 2009. Prior to ceasing these accruals, under the Cash Balance Program of the Retirement Plan and the Pension Equalization Plan, eligible employees received quarterly pay credits to an individual cash balance bookkeeping account equal to 5% of their base salary and bonus (but not any part of bonuses in excess of 50% of base salary) for the previous quarter. Interest credits, which commenced June 30, 2001, were and will continue to be allocated quarterly (based on the yield of the 30-year Treasury bill for November of the preceding calendar year). The “frozen” benefits will be payable at normal retirement age and will be reduced if the employee elects early retirement.

Prior to the cessation of future benefit accruals after December 31, 2009, Mr. Elshaw participated in the Cash Balance Program and he was fully vested in his benefits as of December 31, 2009.

The Employee Retirement Income Security Act of 1974, as amended, places certain maximum limitations under ERISA and the Code upon the annual benefit payable under all qualified plans of an employer to any one individual. In addition, the Code limits the annual amount of compensation that can be considered in determining the level of benefits under qualified plans. As noted above, the Pension Equalization Plan is a non-qualified and unfunded benefit plan that was designed to provide for the payment by the Company of the difference, if any, between the amount of such maximum limitations and the annual benefit that would otherwise be payable under the Retirement Plan but for such limitations, up to a combined \$500,000 maximum annual straight life annuity benefit at age 65 under the Retirement Plan and the Pension Equalization Plan. Benefits provided under the Pension Equalization Plan are conditioned on the participant’s compliance with his or her non-competition agreement and on the participant not competing with Products Corporation for one year after termination of employment.

TABLE OF CONTENTS

Mr. Elshaw ceased employment with the Company prior to December 31, 2014. Based upon the application of IRS rules and the retirement program's terms, during 2014 Mr. Elshaw was paid out his "frozen" vested accrued benefit under the Cash Balance Program of the Retirement Plan. Also, during 2014 Mr. Elshaw was paid out his "frozen" vested accrued benefit under the Cash Balance Program of the Pension Equalization Plan.

Messrs. Delpani, Pieraccioni, Simon and Alletto do not participate in Retirement Plan or the Pension Equalization Plan, as they joined the Company after these plans were frozen at the end of 2009.

NON-QUALIFIED DEFERRED COMPENSATION

As previously noted, the Company “froze” its U.S. qualified and non-qualified defined benefit retirement plans (namely, the Retirement Plan and the Pension Equalization Plan) to cease future benefit accruals under such plans after December 31, 2009. The Company also amended its qualified and non-qualified savings plans effective January 1, 2010 to enable the Company, on a discretionary basis, to make profit-sharing contributions (equal to 3% of eligible compensation) to the qualified plan and, to the extent eligible compensation exceeds IRS limits, to the Excess Savings Plan, a non-qualified, defined contribution plan.

The Excess Savings Plan provides for substantially the same investment choices as are available in the Company’s qualified 401(k) Plan. The Excess Savings Plan does not provide for above-market returns. Payments of participant balances under the Excess Savings Plan commence in accordance with the applicable provisions of the Excess Savings Plan after termination of a participant’s employment and may be paid in either annual installments over a period of no more than 10 years or as a single lump-sum payment, as elected by the participant.

Amounts shown in the table below reflect discretionary Company contributions made under the discretionary employer profit-sharing provisions of the Excess Savings Plan during 2014, as well as total account balances, inclusive of investment returns, as of December 31, 2014. Mr. Simon became eligible for participation in the Excess Savings Plan in late 2014 and does not have any non-qualified deferred compensation benefits, as his initial contributions were paid in early 2015. Mr. Pieraccioni was not eligible for participation in the Excess Savings Plan until 2015. Mr. Alletto received a distribution of his entire account balance under the Excess Savings Plan during 2015. Mr. Elshaw received a distribution of his entire account balance under the Excess Savings Plan during 2014.

The Company has contributed funds to a rabbi trust equal to the Excess Savings Plan’s liabilities.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of April 8, 2015, the number of shares of each class of the Company’s voting capital stock beneficially owned, and the percent so owned, by (i) each person known to the Company to be the beneficial owner of more than 5% of any class of the Company’s voting securities; (ii) each Director of the Company who served on the Board during 2014; (iii) the Chief Executive Officer and each of the other Named Executive Officers; and (iv) all Directors who served on the Board during 2014 and Named Executive Officers as a group. The number of shares owned are those beneficially owned, as determined under the SEC’s applicable rules, and such information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares of voting capital stock as to which a person has sole or shared voting power or investment power and any shares of voting capital stock which the person has the right to acquire within 60 days through the exercise of any option, warrant or right, through conversion of any security or pursuant to the automatic termination of a power of attorney or revocation of a trust, discretionary account or similar arrangement.

TABLE OF CONTENTS

- (1) Mr. Perelman beneficially owned, directly and indirectly through MacAndrews & Forbes, as of April 8, 2015, 40,669,640 shares of Class A Common Stock (of which, (a) 36,108,030 shares were beneficially owned by MacAndrews & Forbes; and (b) 4,561,610 shares were beneficially owned by a family member of Mr. Perelman with respect to which shares MacAndrews & Forbes holds a voting proxy). Such Common Stock share ownership represented approximately 78% of the Company’s issued and outstanding voting capital stock as of April 8, 2015. MacAndrews & Forbes has advised the Company that it has pledged shares of Class A Common Stock to secure certain obligations of MacAndrews & Forbes. Additional shares of Revlon, Inc., and shares of common stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes, may from time to time be pledged to secure obligations of MacAndrews & Forbes. A default under any of these obligations that are secured by the pledged shares could cause a foreclosure with respect to such shares of Class A Common Stock, Products Corporation’s common stock or stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes. A foreclosure upon any such shares of common stock or dispositions of shares of Revlon, Inc.’s Class A Common Stock, Products Corporation’s common stock or stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes which are beneficially owned by MacAndrews & Forbes could, in a sufficient amount, constitute a “change of control” under Products Corporation’s amended and restated bank term loan agreement and multi-currency revolving credit agreement and the indenture governing Products Corporation’s 5¾% Senior Notes (as hereinafter defined). A change of control constitutes an event of default under Products Corporation’s credit agreements, which would permit Products Corporation’s lenders to accelerate amounts outstanding under such facilities. In addition, holders of the 5¾% Senior Notes may require Products Corporation to repurchase their respective notes under those circumstances.
- (2) As Messrs. Alletto and Elshaw ceased employment with the Company prior to the date of this Proxy Statement, their reported shares are as of their respective employment termination dates.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As of December 31, 2014, MacAndrews & Forbes beneficially owned approximately 78% of Revlon, Inc.'s Class A Common Stock, representing approximately 78% of Revlon, Inc.'s outstanding shares of voting capital stock. As a result, MacAndrews & Forbes is able to elect Revlon, Inc.'s entire Board of Directors and control the vote on all matters submitted to a vote of Revlon, Inc.'s stockholders. MacAndrews & Forbes is wholly owned by Ronald O. Perelman, Chairman of Revlon, Inc.'s Board of Directors.

Transfer Agreements

In June 1992, Revlon, Inc. and Products Corporation entered into an asset transfer agreement with Revlon Holdings LLC, a Delaware limited liability company and formerly a Delaware corporation known as Revlon Holdings Inc. ("Revlon Holdings"), and which is an affiliate and an indirect wholly-owned subsidiary of MacAndrews & Forbes, and certain of Revlon Holdings' wholly-owned subsidiaries. Revlon, Inc. and Products Corporation also entered into a real property asset transfer agreement with Revlon Holdings. Pursuant to such agreements, on June 24, 1992, Revlon Holdings transferred certain assets to Products Corporation and Products Corporation assumed all of the liabilities of Revlon Holdings, other than certain specifically excluded assets and liabilities (the liabilities excluded are referred to as the "Excluded Liabilities"). Certain consumer products lines sold in demonstrator-assisted distribution channels considered not integral to the Company's business and that historically had not been profitable and certain other assets and liabilities were retained by Revlon Holdings. Revlon Holdings agreed to indemnify Revlon, Inc. and Products Corporation against losses arising from the Excluded Liabilities, and Revlon, Inc. and Products Corporation agreed to indemnify Revlon Holdings against losses arising from the liabilities assumed by Products Corporation. The amounts reimbursed by Revlon Holdings to Products Corporation for the Excluded Liabilities was \$0.2 million for 2014. As of December 31, 2014, a \$0.1 million receivable from MacAndrews & Forbes for transactions subject to the Transfer Agreements was included within prepaid expenses and other in the Company's 2014 Consolidated Balance Sheets.

Reimbursement Agreements

Revlon, Inc., Products Corporation and MacAndrews & Forbes Inc., a wholly-owned subsidiary of MacAndrews & Forbes Incorporated have entered into reimbursement agreements (the "Reimbursement Agreements") pursuant to which (i) MacAndrews & Forbes Inc. is obligated to provide (directly or through its affiliates) certain professional and administrative services, including without limitation employees, to Revlon, Inc. and its subsidiaries, including without limitation Products Corporation, and to purchase services from third party providers, such as insurance, legal, accounting and air transportation services, on behalf of Revlon, Inc. and its subsidiaries, including Products Corporation, to the extent requested by Products Corporation, and (ii) Products Corporation is obligated to provide certain professional and administrative services, including, without limitation, employees, to MacAndrews & Forbes and to purchase services from third party providers, such as insurance, legal and accounting services, on behalf of MacAndrews & Forbes to the extent requested by MacAndrews & Forbes, provided that in each case the performance of such services does not cause an unreasonable burden to MacAndrews & Forbes or Products Corporation, as the case may be.

The Company reimburses MacAndrews & Forbes for the allocable costs of the services purchased for or provided by MacAndrews & Forbes to the Company and its subsidiaries and for the reasonable out-of-pocket expenses incurred by MacAndrews & Forbes in connection with the provision of such services. MacAndrews & Forbes reimburses Products Corporation for the allocable costs of the services purchased for or provided by Products Corporation to MacAndrews & Forbes and for the reasonable out-of-pocket expenses incurred in connection with the purchase or provision of such services. Each of the Company, on the one hand, and MacAndrews & Forbes, on the other, has agreed to indemnify the other party for losses arising out of the services provided by it under the Reimbursement Agreements, other than losses resulting from its willful misconduct or gross negligence.

The Reimbursement Agreements may be terminated by either party on 90 days' notice. The Company does not intend to request services under the Reimbursement Agreements unless their costs would be at least as favorable to the Company as could be obtained from unaffiliated third parties.

The Company participates in MacAndrews & Forbes' directors and officers liability insurance program (the "D&O Insurance Program"), as well as its other insurance coverages, such as property damage, business interruption, liability and other coverages, which cover the Company as well as MacAndrews & Forbes and its subsidiaries. The limits of coverage for certain of the policies are available on an aggregate basis for losses to any or all of the

TABLE OF CONTENTS

participating companies and their respective directors and officers. The Company reimburses MacAndrews & Forbes from time to time for their allocable portion of the premiums for such coverage or the Company pays the insurers directly, which premiums the Company believes are more favorable than the premiums the Company would pay were it to secure stand-alone coverage. Any amounts paid by the Company directly to MacAndrews & Forbes in respect of premiums are included in the amounts paid under the Reimbursement Agreements.

The net activity related to services provided and/or purchased under the Reimbursement Agreements during the year ended December 31, 2014 was \$(3.8) million, which primarily included partial payments made by the Company to MacAndrews & Forbes during the first quarter of 2014 for premiums related to the Company's allocable portion of the 5-year renewal of the D&O Insurance Program for the period from January 31, 2012 through January 31, 2017. The receivable balances from MacAndrews & Forbes were nil on December 31, 2014 for transactions subject to the Reimbursement Agreements.

Tax Sharing Agreements

As a result of closing the debt-for-equity exchange transaction in March 2004 (the "2004 Revlon Exchange Transactions"), as of March 25, 2004, Revlon, Inc., Products Corporation and their U.S. subsidiaries were no longer included in the affiliated group of which MacAndrews & Forbes was the common parent (the "MacAndrews & Forbes Group") for federal income tax purposes.

Revlon Holdings, Revlon, Inc., Products Corporation and certain of its subsidiaries and MacAndrews & Forbes Incorporated entered into a tax sharing agreement (as subsequently amended and restated, the "MacAndrews & Forbes Tax Sharing Agreement") for taxable periods beginning on or after January 1, 1992 through and including March 25, 2004, during which Revlon, Inc. and Products Corporation or a subsidiary of Products Corporation was a member of the MacAndrews & Forbes Group. In these taxable periods, Revlon, Inc.'s and Products Corporation's federal taxable income and loss were included in such group's consolidated tax return filed by MacAndrews & Forbes Incorporated. Revlon, Inc. and Products Corporation were also included in certain state and local tax returns of MacAndrews & Forbes Incorporated or its subsidiaries. Revlon, Inc. and Products Corporation remain liable under the MacAndrews & Forbes Tax Sharing Agreement, for all such taxable periods through and including March 25, 2004 for amounts determined to be due as a result of a redetermination arising from an audit or otherwise, equal to the taxes that Revlon, Inc. or Products Corporation would otherwise have had to pay if it were to have filed separate federal, state or local income tax returns for such periods.

Following the closing of the 2004 Revlon Exchange Transactions, Revlon, Inc. became the parent of a new consolidated group for federal income tax purposes and Products Corporation's federal taxable income and loss are included in such group's consolidated tax returns. Accordingly, Revlon, Inc. and Products Corporation entered into a tax sharing agreement (the "Revlon Tax Sharing Agreement") pursuant to which Products Corporation is required to pay to Revlon, Inc. amounts equal to the taxes that Products Corporation would otherwise have had to pay if Products Corporation were to file separate federal, state or local income tax returns, limited to the amount, and payable only at such times, as Revlon, Inc. will be required to make payments to the applicable taxing authorities.

There were no federal tax payments or payments in lieu of taxes from Revlon, Inc. to Revlon Holdings pursuant to the MacAndrews & Forbes Tax Sharing Agreement in 2014 with respect to periods covered by the MacAndrews & Forbes Tax Sharing Agreement, and the Company expects that there will not be any such payments in 2015. During 2014, there were \$0.3 million of federal tax payments from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement with respect to 2014 and nil with respect to 2013. The Company expects that there will be no federal tax payments from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement during 2015 with respect to 2014.

Pursuant to the asset transfer agreement referred to above, Products Corporation assumed all tax liabilities of Revlon Holdings other than (i) certain income tax liabilities arising prior to January 1, 1992 to the extent such liabilities exceeded the reserves on Revlon Holdings' books as of January 1, 1992 or were not of the nature reserved for and (ii) other tax liabilities to the extent such liabilities are related to the business and assets retained by Revlon Holdings.

Registration Rights Agreement

Prior to the consummation of Revlon, Inc.'s initial public equity offering in February 1996, Revlon, Inc. and Revlon Worldwide Corporation (which subsequently merged into REV Holdings LLC, a Delaware limited liability company (formerly a Delaware corporation) and a wholly-owned subsidiary of MacAndrews & Forbes ("REV Holdings"), the

TABLE OF CONTENTS

then direct parent of Revlon, Inc.) entered into a registration rights agreement (the “Registration Rights Agreement”), and in February 2003, MacAndrews & Forbes executed a joinder agreement to the Registration Rights Agreement, pursuant to which REV Holdings, MacAndrews & Forbes and certain transferees of Revlon, Inc.’s Class A Common Stock held by REV Holdings (the “Holders”) have the right to require Revlon, Inc. to register under the Securities Act of 1933, as amended, all or part of the Company’s Class A Common Stock owned by such Holders, including, without limitation, the shares of Class A Common Stock purchased by MacAndrews & Forbes in connection with the \$50 million equity rights offering consummated by Revlon, Inc. in 2003 and the shares of Class A Common Stock which were issued to REV Holdings upon its October 2013 conversion of all of its 3,125,000 shares of Revlon, Inc. Class B Common Stock (a “Demand Registration”). In connection with the closing of the 2004 Revlon Exchange Transactions and pursuant to an Investment Agreement entered into in connection with such transactions (the “2004 Investment Agreement”), MacAndrews & Forbes executed a joinder agreement that provided that MacAndrews & Forbes would also be a Holder under the Registration Rights Agreement and that all shares acquired by MacAndrews & Forbes pursuant to the 2004 Investment Agreement are deemed to be registrable securities under the Registration Rights Agreement. This included all of the shares of Class A Common Stock acquired by MacAndrews & Forbes in connection with Revlon, Inc.’s 2006 \$110 million rights offering of shares of its Class A Common Stock and related private placement to MacAndrews & Forbes and the Company’s 2007 \$100 million rights offering of shares of its Class A Common Stock and related private placement to MacAndrews & Forbes.

Revlon, Inc. may postpone giving effect to a Demand Registration for a period of up to 30 days if Revlon, Inc. believes such registration might have a material adverse effect on any plan or proposal by Revlon, Inc. with respect to any financing, acquisition, recapitalization, reorganization or other material transaction, or if Revlon, Inc. is in possession of material non-public information that, if publicly disclosed, could result in a material disruption of a major corporate development or transaction then pending or in progress or could result in other material adverse consequences to Revlon, Inc. In addition, the Holders have the right to participate in registrations by Revlon, Inc. of its Class A Common Stock (a “Piggyback Registration”). The Holders will pay all out-of-pocket expenses incurred in connection with any Demand Registration. Revlon, Inc. will pay any expenses incurred in connection with a Piggyback Registration, except for underwriting discounts, commissions and expenses attributable to the shares of Class A Common Stock sold by such Holders.

Amended and Restated Senior Subordinated Term Loan

Products Corporation was party to the Senior Subordinated Term Loan Agreement (as defined below), consisting of (i) the \$58.4 million Non-Contributed Loan (as defined below) which matured on October 8, 2014 and was prepaid on May 1, 2014, and (ii) the \$48.6 million Contributed Loan (as defined below) which matured and was repaid in full on October 8, 2013.

Upon consummation of the 2009 Exchange Offer in October 2009, MacAndrews & Forbes contributed to Revlon, Inc. \$48.6 million of the \$107 million aggregate outstanding principal amount of the Senior Subordinated Term Loan (the “Senior Subordinated Term Loan;” the agreement in respect to such loan is referred to as the “Senior Subordinated Term Loan Agreement”) made in January 2008 by MacAndrews & Forbes to Products Corporation (the “Contributed Loan”), representing \$5.21 of outstanding principal amount for each of the 9,336,905 shares of Revlon, Inc.’s Class A Common Stock exchanged in the 2009 Exchange Offer, and Revlon, Inc. issued to MacAndrews & Forbes 9,336,905 shares of Class A Common Stock at a ratio of one share of Class A Common Stock for each \$5.21 of outstanding principal amount of the Senior Subordinated Term Loan contributed to Revlon, Inc. Upon consummation of the 2009 Exchange Offer, the terms of the Senior Subordinated Term Loan Agreement were amended to (i) extend the maturity date of the Contributed Loan from August 2010 to October 8, 2013, and to change the annual interest rate on the Contributed Loan from 11% to 12.75%; and (ii) extend the maturity date of the \$58.4 million principal amount of the Senior Subordinated Term Loan which, at December 31, 2011, remained owing from Products Corporation to MacAndrews & Forbes (the “Non-Contributed Loan”) from August 2010 to October 8, 2014 and to change the annual interest rate on the Non-Contributed Loan from 11% to 12%.

On April 30, 2012, MacAndrews & Forbes exercised its right to assign its interest in the Non-Contributed Loan to various third parties. In connection with such assignment, Products Corporation entered into an Amended and Restated Senior Subordinated Term Loan Agreement with MacAndrews & Forbes (the “Amended and Restated Senior Subordinated Term Loan Agreement”) to: (1) modify the interest rate on the Non-Contributed Loan from its prior 12% fixed rate to a floating rate of LIBOR plus 7%, with a 1.5% LIBOR floor, resulting in an interest rate of

TABLE OF CONTENTS

approximately 8.5% per annum (or a 3.5% reduction per annum) upon the effectiveness of the Amended and Restated Senior Subordinated Term Loan Agreement; (2) insert certain prepayment premiums; and (3) designate Citibank, N.A. as the administrative agent for the Non-Contributed Loan.

On May 1, 2014, Products Corporation used available cash on hand to optionally prepay in full the remaining \$58.4 million principal amount outstanding under the Non-Contributed Loan portion of the Senior Subordinated Term Loan. Accordingly, as of December 31, 2014 the Amended and Restated Senior Subordinated Term Loan had been fully re-paid and was no longer outstanding.

Other

Certain of Products Corporation's debt obligations, including its amended and restated bank term loan agreement, amended and restated multi-currency revolving credit agreement and 5¾% Senior Notes due 2021, have been, and may in the future be, supported by, among other things, guarantees from the Company and, subject to certain limited exceptions, all of the domestic subsidiaries of Products Corporation. The obligations under such guarantees are secured by, among other things, the capital stock of Products Corporation and, subject to certain limited exceptions, the capital stock of all of Products Corporation's domestic subsidiaries and 66% of the capital stock of Products Corporation's and its domestic subsidiaries' first-tier foreign subsidiaries.

The Company employed Mr. Simon's spouse in a senior marketing position within its Revlon Professional Division, a position which she has held since October 2008, preceding the Colomer Acquisition, with compensation paid for 2014 of approximately \$200,000.

Review and Approval of Transactions with Related Persons

The Revlon, Inc. Related Party Transaction Policy (the "Policy") serves as a set of guidelines for the approval of interested transactions with related parties. As of the date of this Proxy Statement, related party transactions are subject to the review, approval and/or ratification of the Nominating and Corporate Governance Committee, a majority of which is comprised of independent directors. While the Nominating and Corporate Governance Committee currently oversees the Policy, following the 2015 Annual Meeting and subject to stockholder approval of Proposal No. 1 (Election of Directors), it is expected that oversight of the Policy will be handled by the Audit Committee, which will continue to be comprised entirely of independent directors. The Policy also pre-approves a series of related party transactions including, among others: (i) certain employment relationships and related compensatory arrangements with executive officers, which are either approved by the Compensation Committee or disclosed in the Company's annual proxy statement, if so required; (ii) any compensation paid to a director if the compensation is required to be reported in the Company's proxy statement; (iii) transactions related to the ownership of the Company's common stock where all stockholders are receiving the same or substantially the same pro rata benefit; (iv) competitively-bid transactions; (v) any transaction involving services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture or similar services; (vi) transactions permitted under Products Corporation's indentures, credit agreements and other debt instruments (copies of each of which are on file with the SEC); and (vii) transactions described in the Company's proxy statements or other SEC reports filed with or furnished to the SEC on or before the adoption of the Policy in March 2007. Following the 2015 Annual Meeting and subject to stockholder approval of Proposal No. 1 (Election of Directors), the Policy will also delegate to the Chair of the Audit Committee the authority to approve certain related party transactions.

CODE OF BUSINESS CONDUCT AND SENIOR FINANCIAL OFFICER CODE OF ETHICS

The Company has a written Code of Business Conduct (the "Code of Business Conduct") that includes a code of ethics (the "Senior Financial Officer Code of Ethics") that applies to the Company's Chief Executive Officer and senior financial officers, including the Company's Chief Financial Officer, Controller and persons performing similar functions (collectively, the "Senior Financial Officers"). Printable copies of the Code of Business Conduct and the Senior Financial Officer Code of Ethics are available at www.revloninc.com under the heading Investor Relations (Corporate Governance). If the Company changes the Senior Financial Officer Code of Ethics in any material respect or waives any provision of the Code of Business Conduct for its executive officers or Directors, including waivers of the Senior Financial Officer Code of Ethics for any of its Senior Financial Officers, the Company expects to provide the public with notice of any such change or waiver by publishing an appropriate description of such event on its corporate website, www.revloninc.com, or by other appropriate means as required or permitted under applicable rules of the SEC. The Company does not currently expect to make any such waivers.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company's executive officers, directors and 10% stockholders may be required under the Exchange Act to file reports of ownership and changes in ownership with the NYSE and the SEC. The Company makes such SEC filings available on its corporate website, www.revloninc.com, under the heading Investor Relations (SEC Filings). Copies of these reports also must be furnished to the Company by such filers.

Based solely upon a review of copies of such reports furnished to the Company through the date hereof and written representations as to transactions consummated by the Company's executive officers, directors and 10% stockholders during the year, if any, the Company believes that all Section 16 filing requirements applicable to its executive officers, directors and 10% stockholders were complied with during 2014.

PROPOSAL NO. 2 — RATIFICATION OF AUDIT COMMITTEE'S SELECTION OF KPMG LLP

The Audit Committee of the Board of Directors has selected KPMG LLP to audit the Company's consolidated financial statements for the fiscal year ending December 31, 2015, subject to ratification by the Company's stockholders.

The Sarbanes-Oxley Act of 2002 and Section 10A of the Exchange Act require that the Audit Committee of the Board of Directors be directly responsible for the appointment, compensation, retention and oversight of the audit work of the Company's independent registered public accounting firm. Stockholder ratification of the Audit Committee's selection of KPMG is not required by law, the Company's By-laws or otherwise. However, the Board of Directors is submitting the Audit Committee's selection of KPMG for stockholder ratification to ascertain stockholders' view on the matter.

KPMG has audited the Company's consolidated financial statements for more than the past 6 consecutive years. Representatives of KPMG are expected to be present at the 2015 Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The Audit Committee reviews audit and non-audit services performed by KPMG, as well as the fees charged by KPMG for such services. In its review of non-audit service fees, the Audit Committee received and discussed with KPMG their annual written report on KPMG's independence from the Company and its management, as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with KPMG that firm's independence. The Audit Committee has satisfied itself that KPMG's provision of audit and non-audit services to the Company is compatible with KPMG's independence. Additional information concerning the Audit Committee and its activities with KPMG can be found in the following sections of this Proxy Statement: "Board of Directors and its Committees" and "Audit Committee Report." Information regarding the aggregate fees billed by KPMG for services rendered to the Company for the fiscal years ended December 31, 2014 and December 31, 2013 can be found below under "Audit Fees."

Vote Required and Board of Directors' Recommendation (Proposal No. 2)

The ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2015 requires the affirmative vote of the holders of a majority of the total number of votes of the Company's Class A Common Stock present in person or represented by proxy and entitled to vote at the 2015 Annual Meeting. With respect to Proposal No. 2, all proxies properly submitted to the Company will be voted in accordance with the instructions given by the person submitting such proxy or, in the absence of such instructions, will be voted **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2015, unless such proxies are revoked prior to their being voted on. In determining whether Proposal No. 2 has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against Proposal No. 2. Brokers will have discretionary authority to vote on Proposal No. 2 (ratification of the Audit Committee's selection of its independent registered public accounting firm for 2015) absent instructions from the beneficial owner of the shares, as this is a "routine" proposal. MacAndrews & Forbes has informed the Company that it will vote **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2015. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any other stockholder of the Company, to approve and adopt Proposal No. 2.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE AUDIT COMMITTEE'S SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2015.

AUDIT FEES

The Company's Board of Directors maintains its Audit Committee in accordance with applicable SEC rules and the NYSE's listing standards. In accordance with the Audit Committee's charter, the Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the audit work of Revlon, Inc.'s independent auditors for the purpose of preparing and issuing its audit report or performing other audit, review or attest services for Revlon, Inc. A printable and current copy of the Audit Committee's charter is currently available at www.revloninc.com under the heading Investor Relations (Corporate Governance). The independent auditors, KPMG, report directly to the Audit Committee and the Audit Committee is directly responsible for, among other things, reviewing in advance, and granting any appropriate pre-approvals of, (a) all auditing services to be provided by the independent auditor and (b) all non-audit services to be provided by the independent auditor (as permitted by the Exchange Act), and in connection therewith to approve all fees and other terms of engagement, as required by the applicable rules of the Exchange Act.

Since 2005, the Audit Committee has approved an Audit Committee Pre-Approval Policy for pre-approving all permissible audit and non-audit services performed by KPMG. During 2014, an electronic printable copy of the 2014 Audit Committee Pre-Approval Policy was available at www.revloninc.com under the heading Investor Relations (Corporate Governance). A copy of the 2015 Audit Committee Pre-Approval Policy is attached to this Proxy Statement as [Annex B](#) and an electronic printable copy of such policy is currently available at www.revloninc.com under the heading Investor Relations (Corporate Governance). The Audit Committee also has the authority to approve services to be provided by KPMG at its meetings and by unanimous written consents.

The aggregate fees billed for professional services by KPMG in 2014 and 2013 for these various services for Revlon, Inc. and Products Corporation in the aggregate are set forth in the table, below (in millions).

Types of Fees (Dollars in millions)	2014	2013
Audit Fees	\$ 4.7	\$ 5.4
Audit-Related Fees	\$ 0.2	\$ 0.2
Tax Fees	\$ 0.4	\$ 0.2
All Other Fees	\$ —	\$ 0.3
Total Fees	\$ 5.3	\$ 6.1

In the above table, in accordance with the SEC definitions and rules, (a) "audit fees" are fees the Company paid KPMG for professional services rendered for (i) the audits of Revlon, Inc.'s and Products Corporation's annual financial statements; (ii) the audit of Revlon, Inc.'s internal control over financial reporting; and (iii) the review of financial statements included in Revlon, Inc.'s and Products Corporation's Quarterly Reports on Form 10-Q, and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements; (b) "audit-related fees" are fees billed by KPMG for assurance and related services that are traditionally performed by the auditor, including services performed by KPMG related to employee benefit plan audits and certain transactions, as well as attestation services not required by statute or regulation; (c) "tax fees" are fees for permissible tax compliance, tax advice and tax planning; and (d) "all other fees" are fees billed by KPMG to the Company for any permissible services not included in the first three categories.

All of the services performed by KPMG for the Company during 2014 and 2013 were either expressly pre-approved by the Audit Committee or were pre-approved in accordance with the Audit Committee Pre-Approval Policy, and the Audit Committee was provided with regular updates as to the nature of such services and fees paid for such services.

**PROPOSAL NO. 3 — RE-APPROVAL OF REVLOX EXECUTIVE
INCENTIVE COMPENSATION PLAN**

At the 2015 Annual Meeting, the Company's stockholders will be asked to re-approve the Revlon Executive Incentive Compensation Plan (the "Plan"), which sets forth certain terms and conditions of the Company's annual bonus and LTIP programs. To qualify certain compensation payable pursuant to the Plan to be eligible for deduction under Section 162(m) of the Code, the Plan must be re-approved by stockholders at least once every five years. The Plan was last approved by Company's stockholders at its 2010 annual stockholders' meeting.

TABLE OF CONTENTS

The purposes of the Plan are to attract, retain and incentivize eligible executives and other employees necessary to operate the Company; to incentivize Plan participants to achieve objectives which are tied to the achievement of the Company's business plan and strategy, to enhance shareholder value; and to reflect the Company's commitment to pay for performance. In addition, the Plan is intended to serve as a qualified performance-based compensation program under Section 162(m). Section 162(m) limits the deductibility of certain compensation in excess of \$1 million per year paid by a publicly traded corporation to certain officers who constitute "covered employees" under the rule ("Covered Employees"). Compensation that qualifies as "performance-based" compensation is, however, exempt from the \$1 million deductibility limitation.

At management's recommendation and after consideration and consultation with CAP, in March 2015 the Compensation Committee re-approved the Plan, subject to stockholder approval. The Company believes that the Plan still serves the Company's objectives of attracting, retaining and compensating key employees and providing an appropriate incentive for them to execute the Company's business strategy.

For 2014, the Company's Compensation Committee approved the design, corporate and individual performance targets and certain payments in March 2015 under the 2014 Annual Bonus Program and the 2013 Transitional LTIPs, 2014 Transitional LTIPs and the 2014 LTIPs (the latter of which are not payable until March 2017), all of which were established under the Plan. For additional information regarding the 2014 Annual Bonus Program and the various LTIPs payable in respect of the 2014 performance year, please see the "Compensation Discussion and Analysis," "Summary Compensation Table" and "Grants of Plan-Based Awards," above.

In this Proposal No. 3, the Company is asking stockholders to re-approve the Plan and the performance factors thereunder.

Vote Required and Board of Directors' Recommendation (Proposal No. 3)

The re-approval of the Plan requires the affirmative vote of the holders of a majority of the total number of votes of the Company's Class A Common Stock present in person or represented by proxy and entitled to vote at the 2015 Annual Meeting. With respect to Proposal No. 3, all proxies properly submitted to the Company, unless such proxies have been previously revoked, will be voted in accordance with the instructions given by the person submitting such proxy or, in the absence of such instructions, will be voted **FOR** the re-approval of the Plan. In determining whether Proposal No. 3 has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against such proposal and broker non-votes will be counted neither as a vote for or against Proposal No. 3. MacAndrews & Forbes has informed the Company that it will vote **FOR** the re-approval of the Plan. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any other stockholder of the Company, to approve Proposal No. 3.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR RE-APPROVAL OF THE REVLON EXECUTIVE INCENTIVE COMPENSATION PLAN.

Set out below is a summary of the key provisions of the Plan, which is qualified in its entirety by reference to the text of the Plan, attached as Annex C. Capitalized terms used in the below description of the Plan which are not defined below, or elsewhere in this Proxy Statement, shall have the meanings ascribed to such terms in the Plan.

DESCRIPTION OF THE PLAN'S TERMS

Summary of the Revlon Executive Incentive Compensation Plan

As noted above, the purposes of the Plan are to attract, retain and incentivize eligible executives and other employees necessary to operate the Company; to incentivize Plan participants to achieve objectives which are tied to the achievement of the Company's business plan and strategy, to enhance shareholder value; and to reflect the Company's commitment to pay for performance. Generally, while the Company's provision of incentive compensation under the Plan is intended to meet the requirements for deductibility of qualified performance-based compensation under Section 162(m) of the Code, to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy requiring all compensation paid under the Plan to be deductible. The Compensation Committee retains discretion to award compensation under the Plan that may not constitute qualified performance-based compensation under Section 162(m). Please see "Compensation Discussion and Analysis" and "Grants of Plan-Based Awards" above for further details on the Plan.

Plan Administration; Delegation

The Plan is administered by Compensation Committee, or such other sub-committee as may be appointed by either the Board or the Compensation Committee to administer the Plan. For any Award that is intended to satisfy Section 162(m), administration is performed by a sub-committee of at least two directors, each of whom qualifies as an “outside director” within the meaning of Section 162(m). Except with respect to awards to Covered Employees during any Performance Period for which the Plan is intended to satisfy the requirements of Section 162(m), or as otherwise required for compliance with other applicable law or applicable exchange listing requirements, the Compensation Committee has the authority to delegate any or all of its authority under the Plan to any employee or committee of employees of the Company, including but not limited to, the Chief Executive Officer. The Compensation Committee has discretion in designing the annual bonus programs and LTIPs under the Plan, including, without limitation, performance targets, performance periods, Participant eligibility and other terms on which Plan awards may be made, in each case subject to the limitations set forth in the Plan. Please see “Role of the Compensation Committee” in the “Compensation Discussion and Analysis.”

Eligibility

The Plan sets forth certain types of employees who are eligible for Awards under the Plan. Eligibility for Annual Awards includes: (i) an employee of the Company whose position is classified under the Company’s exempt salary program in salary grades 9 and above (or the equivalent of such grades) and who does not participate in the Company’s sales incentive plan; (ii) a regional or country general manager and any other key executive of the Company’s operations outside of the U.S. who does not participate in a local incentive plan; and/or (iii) such other key employees of the Company as the Compensation Committee may designate from time to time. Eligibility for Long-Term Awards includes such key employees of the Company as the Compensation Committee may designate from time to time. Each year, the Company recommends employees for participation in the annual bonus and LTIP programs under the Plan. In determining annual bonus and LTIP Participants, and the Performance Factors relating to each Award, the Compensation Committee takes into account such factors as it deems necessary to facilitate the objectives of the Plan. As of December 31, 2014, approximately 900 employees, including the Named Executive Officers, were eligible to participate in the Company’s 2014 Annual Bonus Program and approximately 90 employees, including the Named Executive Officers, were eligible to participate in the Company’s 2014 LTIP.

Unless the Compensation Committee otherwise determines and except as provided in the Plan, no person may participate in the Plan or receive any Award under the Plan unless he or she is actively employed as of the date of payment of an Award and shall have signed and shall be in full compliance with (A) the Company’s Employee Agreement as to Confidentiality and Non-Competition and the Company’s Code of Business Conduct (as each may be amended from time to time by the Company), and (B) to the extent applicable, any applicable employment agreement.

Awards and Performance Periods

The Plan provides for both Annual Awards and Long-Term Awards.

An Annual Award is an incentive compensation award payable to a Participant which is contingent upon the attainment of certain Performance Factors with respect to a designated Annual Award Performance Period. An Annual Award Performance Period means the calendar year or any other period the Compensation Committee may determine to apply to an Annual Award. An Annual Award Performance Period for a Participant who becomes employed by the Company during an on-going Annual Award Performance Period may be a shorter period beginning when such employee commences employment. A Long-Term Award means an incentive compensation award payable to a Participant which is contingent upon the attainment of certain Performance Factors with respect to a designated Long-Term Award Performance Period. A Long-Term Award Performance Period means one or more calendar years or any other period that the Compensation Committee may determine to apply to a Long-Term Award. A Long-Term Award Performance Period for a Participant who becomes employed by the Company during an on-going Long-Term Award Performance Period may be a shorter period beginning when such employee commences employment.

The maximum amount payable to any participant with respect to each Annual Award or Long-Term Award for a particular Performance Period may not exceed \$3.5 million per Award.

Performance Objective Attainment Required for Award Payment

The Plan provides for the payment of Awards to participants if, and only to the extent that, goals established by the Compensation Committee are met with respect to the applicable Performance Period. Please see the “Compensation

Discussion and Analysis” above for further details on the Company’s process for measuring and certifying the attainment of the Company’s corporate performance targets and individual executive’s performance objectives.

Performance Factors

Performance Factors are the criteria and objectives determined by the Compensation Committee which must be met during a Performance Period as a condition to receiving payment of an Annual Award or a Long-Term Award. Generally, not later than 90 days after the beginning of an Annual Award Performance Period or Long-Term Award Performance Period, the Compensation Committee reviews and approves the design of the annual bonus program and LTIP under the Plan, including, without limitation, the Performance Factors, performance periods, Participant eligibility and other terms on which Plan Awards may be made with respect to such Award Performance Period. Awards, including the terms and conditions of such Awards, are communicated to Participants by the Company. Unless otherwise provided by the Compensation Committee in connection with specified terminations of employment, or as otherwise provided in the Plan, payments in respect of Awards are made only to the extent that the Compensation Committee has determined that the Performance Factors with respect to the Performance Period have been attained.

Performance Factors may include any or all of the following, or any combination thereof: (a) stock price; (b) fair market value; (c) book value; (d) third party appraised value; (e) market share; (f) total shareholder return; (g) earnings per share; (h) cash flow, including, without limitation, cash flow from operations and/or free cash flow; (i) return on equity, assets, capital or investment; (j) net income; (k) operating profit or income; (l) operating income before restructuring charges, plus depreciation and amortization other than relating to early extinguishment of debt and debt issuance costs; (m) gross or net sales; (n) expense targets; (o) working capital targets, including, without limitation, those relating to inventory, accounts receivable and/or capital and display spending; (p) operating margin; (q) productivity improvement; (r) cost, expense or debt reduction; (s) gross margin; (t) earnings before all or any of interest, taxes, depreciation and/or amortization (“EBIT,” “EBITA,” “EBITDA” or as may otherwise be adjusted by the Company); (u) revenue; (v) unit sales; (w) earnings from continuing operations; (x) asset management (e.g., inventory and receivable levels); (y) planning accuracy (as measured by comparing planned results to actual results); (z) customer satisfaction based on market share or other relevant factors; (aa) implementation or completion of critical projects or processes, including, without limitation, growing consumption of the Company’s products, enhancing new product development, enhancing demand, supply and financial business planning processes, completing asset dispositions, engaging in capital markets transactions to refinance all or a portion of the Company’s indebtedness, reducing interest expense or otherwise strengthening the Company’s balance sheet, reducing selling, general and administrative (SG&A) expenses, ensuring Company products are in stock at retail, consolidating plants, and improving employee satisfaction surveys with quantifiable results; and (bb) management of employees, including training, development and succession planning processes based on achievement of determinable results from such activities and processes.

Performance Factors for participants other than Covered Employees may be developed by each department head, subject to the approval of the Company’s President and Chief Executive Officer and its Company’s senior-most Human Resources officer.

Performance Factors may relate to the performance of the Company, a Subsidiary or any portion of a Business Unit, and may be expressed on an aggregate, per share (outstanding or fully diluted), per unit or other basis. The Compensation Committee, in its sole discretion, may determine to express Performance Factors, among other methods, in terms of attaining a specified level of a particular criteria, attainment of a percentage increase or decrease in a particular criteria, or as applied to the performance of the Company, a Subsidiary or a Business Unit, relative to a market index, a group of other companies (or their subsidiaries, business units or product lines) or a combination thereof, or otherwise. While Performance Factors may relate to the performance of the Company, a Subsidiary or any portion of a Business Unit, the Company has historically set Performance Factors based on Company-wide performance, such as consolidated worldwide Adjusted EBITDA, Free Cash Flow, net sales and Net Working Capital Ratio. Please see the “Compensation Discussion and Analysis” above for further details.

Individual performance objectives are established for participants other than Covered Employees by each Participant’s department head and approved by the Company’s senior-most Human Resources officer (or its designee).

Performance Factors may include a threshold level of performance below which no Award payments will be made, target levels of performance at which target Award payments will be made and maximum levels of performance at

TABLE OF CONTENTS

which maximum Award payments will be made, as well as payout slopes providing for varying Award payments based upon the extent to which the Company achieves its corporate objectives. Award payments can also be impacted by each Participant's rating under the Company's annual management review process. Please see the "Compensation Discussion and Analysis" above for further details.

Compensation Committee Certification of Performance Factor Attainment

Before the Company pays any Awards for a particular Performance Period, the Compensation Committee certifies the extent to which the Company and the Named Executive Officers have achieved the Performance Factors for that Performance Period.

Effect of Termination of Employment

Generally, to receive payment of an Award, the Participant must remain employed by the Company on the payment date. However, Awards may be paid and, if appropriate, prorated, in the sole discretion of the Compensation Committee, in the event a participant's employment terminates prior to the date that Awards are paid for a particular Performance Period. Such might be the case in the event of a Participant's death, disability, retirement or for a reason other than that which would disqualify such Participant from eligibility to receive separation pay under the Revlon Executive Severance Pay Plan.

Limitation of Compensation Committee's Discretion

To be qualified for deductibility under Section 162(m) of the Code, the amount of an award payable to a Covered Employee upon attainment of a specified Performance Factor cannot be increased by the Compensation Committee at its discretion, but may be decreased by the Compensation Committee. However, the Compensation Committee may at its discretion make appropriate adjustments to Performance Factors to reflect the impact of extraordinary items (as defined in the Plan) which are not reflected in such objectives to the extent permitted pursuant to Section 162(m).

Amendments to or Termination of Revlon Executive Incentive Compensation Plan

The Board or the Compensation Committee reserves the right to alter, amend, suspend or terminate the Plan at any time during or after a Performance Period. However, if stockholder approval for any such amendment would be required in order for the Plan to remain qualified under Section 162(m), and such stockholder approval is not obtained, then the failure to obtain such stockholder approval shall not render the Plan or the subject amendment ineffective. Under such circumstances, the Plan would continue in full force and effect, as amended, without regard to Section 162(m) as to such amended terms. No amendment may adversely affect the rights of any Participant under any Award following the end of the Performance Period to which the Award relates.

New Plan Benefits

2015 Annual Bonus Program

For 2015, the Compensation Committee, based upon input from management and the Compensation Committee's independent outside compensation consultant, approved the structure and design of the Annual Awards for the 2015 Performance Period (the "2015 Annual Bonus Program"). The 2015 Annual Bonus Program is structured substantially the same as the 2014 Annual Bonus Program, as discussed above under "Compensation Discussion and Analysis." As with the 2014 Annual Bonus Program, the Performance Factors for the 2015 Annual Bonus Program include the following targets: (i) Adjusted EBITDA (weighted at 50%); (ii) net sales (weighted at 25%); and (iii) Net Working Capital Ratio (weighted at 25%).

Participants in the 2015 Annual Bonus Program will be eligible to receive Annual Awards conditioned upon the Compensation Committee (1) certifying the extent to which the Performance Factors have been achieved, which is scheduled to occur in first quarter of 2016, after the Company finalizes its 2015 financial results, and (2) such Participants remaining employed with the Company on the payment date. Therefore, until the Company's 2015 financial results are determined, the exact amounts of the 2015 Annual Bonus Program Awards to Participants, if any, are not determinable. Accordingly, the "New Plan Benefits Table" below reflects the potentially realizable value of the 2015 Annual Bonus Program Awards payable in early 2016 at target.

2015 LTIP

For 2015, the Compensation Committee, based upon input from management and the Compensation Committee's independent outside compensation consultant, approved the structure and design of the 2015 LTIP. The 2015 LTIP is structured substantially the same as the 2014 LTIP, as discussed above under "Compensation Discussion and

TABLE OF CONTENTS

Analysis.” The Performance Factors under the 2015 LTIP include the following targets: (i) Adjusted EBITDA; (ii) net sales; and (iii) Free Cash Flow targets for each of 2015, 2016 and 2017. The Company’s achievement of these Performance Factors will be measured independently after the close of each year and will have respective weightings of: (i) 50% for Adjusted EBITDA; (ii) 25% for net sales; and (iii) 25% for Free Cash Flow.

As with the 2014 LTIP, achievement against the targeted Performance Factors under the 2015 LTIP will be measured as the average degree of the Company’s achievement of its performance objectives over these 3, 1-year periods (2015, 2016 and 2017), with annual goals set and approved by the Compensation Committee, based on the budgeted Performance Factors in the Company’s business plan for each respective performance year. Accordingly, the “New Plan Benefit Table” below reflects the potentially realizable value of 2015 LTIP Awards payable in early 2018 at target.

Under each of the Company’s 2015 Annual Bonus Program and 2015 LTIP established under the Plan, these target Awards, if and when paid, may range from 0% to 150% of the respective target amounts, based upon and subject to the extent of the Company’s achievement of its relevant Performance Factors under the particular program and, in the case of the 2015 Annual Bonus Program, the extent to which the executive satisfies his/her individual performance objectives and, for the 2015 LTIP, the executive having achieved a satisfactory performance rating under the Company’s annual management review process for each year of 2015 LTIP’s 3-year performance period. Also, as with the 2014 Annual Bonus Program, the 2015 Annual Bonus Awards can range between 80% and 120% of adjusted target Award amounts, based on management’s assessment of the extent to which each executive has achieved his/her individual performance objectives under the Company’s annual management review process.

NEW PLAN BENEFITS TABLE

The table below sets forth the potentially realizable value of the 2015 Annual Bonus Program and 2015 LTIP Awards at target under the Plan for Covered Employees:

Name	Potentially Realizable Dollar Value of Plan Benefit Under 2015 Annual Bonus Program, at 100% of Target, Payable in Early 2016	Potentially Realizable Dollar Value of Plan Benefit Under 2015 LTIP, at 100% of Target, Payable in Early 2018
Lorenzo Delpani <i>President & Chief Executive Officer</i>	\$ 1,200,000	\$ 2,000,000
Gianni Pieraccioni <i>Executive Vice President & Global President – Revlon Consumer Division</i>	\$ 450,000	\$ 500,000
Roberto Simon <i>Executive Vice President & Chief Financial Officer</i>	\$ 450,000	\$ 500,000

2015 AUDIT COMMITTEE PRE-APPROVAL POLICY

I. STATEMENT OF PRINCIPLES

The Audit Committee is required to pre-approve the audit and non-audit services performed by the Company's independent auditor, KPMG LLP ("KPMG LLP" or the "independent auditor"), in order to assure that KPMG LLP's provision of such services does not impair its independence. Unless a type of service to be provided by the independent auditor is within the pre-approved services and dollar limits set forth in the appendices attached to this Policy, the provision of such service by the independent auditor will require specific pre-approval by the Audit Committee.

The appendices to this Policy describe the Audit Services, Audit-Related Services, Tax Services and All Other Services that have the general pre-approval of the Audit Committee for 2015, as well as the applicable dollar limits for the particular services. The Audit Committee will annually review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

II. DELEGATION

The Audit Committee may delegate pre-approval authority to one or more of its members for Audit-Related, Tax Services or All Other Services (each as defined below) to be provided by the independent auditor (but excluding Annual Audit Services referred to in Section III below and prohibited services referred to in Section VII below). Specifically, the Chairman of the Audit Committee may approve services which are not Annual Audit Services referred to in Section III below or prohibited services referred to in Section VII below if the fees as to any applicable project will not exceed \$35,000, provided that the independent auditor complies with any applicable rules or requirements of this Policy to document the services to the Audit Committee and to discuss such services with the Audit Committee. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at least quarterly on the services provided by KPMG LLP and the approximate fees paid or payable to KPMG LLP for such services during the preceding quarter, including a report on any services pre-approved during such quarter by the Chairman of the Audit Committee pursuant to this Section II.

III. AUDIT SERVICES

The terms and fees of the annual Audit Services engagement, including, without limitation, the independent auditor's services in connection with the audit of the Company's annual financial statements and internal control over financial reporting and the independent auditor's review of the Company's financial statements included in the Company's quarterly reports on Form 10-Q, will be subject to the specific pre-approval of the Audit Committee. The Audit Committee will also approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope or other matters.

In addition to the foregoing annual Audit Services engagement, the Audit Committee may grant pre-approval for other Audit Services, which are those services that are normally provided by the independent auditor in connection with statutory and regulatory filings or engagements for those fiscal years and other services that generally only the independent auditor reasonably can provide, such as comfort letters, statutory audits, attest services, consents and assistance with and review of documents filed with the SEC. The Audit Committee has pre-approved the other Audit Services listed in [Appendix A](#), provided that such services do not exceed the pre-approved fees set forth on [Appendix A](#). All other Audit Services not listed in [Appendix A](#) must be specifically pre-approved by the Audit Committee.

IV. AUDIT-RELATED SERVICES

Audit-Related Services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent auditor, and in each case which are not covered by the Audit Services described in Section III. Such services could include, among

TABLE OF CONTENTS

other things, employee benefit plan audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, attest services and internal control reviews that are not required by statute and regulation and consultations concerning financial accounting and reporting standards. The Audit Committee believes that the provision of Audit-Related Services does not impair the independence of the auditor, and has pre-approved the Audit-Related Services listed in Appendix B, provided that such services do not exceed the pre-approved fees set forth on Appendix B. All other Audit-Related Services not listed in Appendix B must be specifically pre-approved by the Audit Committee, except to the extent covered by the delegation of authority under Section II above. As to all non-audit internal control services for the Company, the independent auditor must: (1) describe in writing to the Audit Committee the scope of the proposed non-audit internal control service; (2) discuss with the Audit Committee any potential effects on the independent auditor's independence that could be caused by the independent auditor's performance of the proposed non-audit internal control service; and (3) document the substance of such discussions with the Audit Committee.

V. TAX SERVICES

The Audit Committee believes that the independent auditor can provide certain Tax Services to the Company, such as: (i) tax compliance (e.g., preparing original and amended state and federal corporate tax returns, planning for estimated tax payments and preparation of tax return extensions); (ii) tax advice; and (iii) tax planning, without impairing the auditor's independence. Tax advice and tax planning could include, without limitation, assistance with tax audits and appeals, tax advice related to mergers and acquisitions and employee benefit plans and request for rulings or technical advice from taxing authorities. However, the Audit Committee will not permit the retention of the independent auditor (or any affiliate of the independent auditor) in connection with the provision of any prohibited tax service listed in Exhibit 1 to the Company or its affiliates, as the PCAOB has determined that such prohibited tax services would impair the independent auditor's independence.

The Audit Committee has pre-approved the Tax Services listed in Appendix C, provided that such services do not exceed the pre-approved fees set forth on Appendix C. All other Tax Services for the Company not listed in Appendix C must be specifically pre-approved by the Audit Committee, except to the extent covered by the delegation of authority under Section II above, provided that the independent auditor complies with any applicable rules and the following requirements to document the applicable Tax Services to the Audit Committee and to discuss such services with the Audit Committee.

As to all Tax Services for the Company, the independent auditor must: (1) describe in writing to the Audit Committee the scope of the proposed Tax Service, the proposed fee structure for the engagement and any agreement between the independent auditor and the Company and its affiliates relating to the proposed Tax Service; (2) describe in writing to the Audit Committee any compensation arrangement or other agreement, such as a referral agreement, a referral fee or fee-sharing arrangement, between the independent auditor or any of its affiliates and any person (other than the Company and its affiliates) with respect to the promoting, marketing or recommending of any transaction covered by the Tax Service; (3) discuss with the Audit Committee any potential effects of the proposed Tax Services on the independence of the independent auditor; and (4) document the substance of such discussions with the Audit Committee.

VI. ALL OTHER SERVICES

The Audit Committee may grant general pre-approval to those permissible non-audit services classified as All Other Services that it believes are routine and recurring services, and would not impair the independence of the auditor, provided such All Other Services may not include Audit Services referred to in Section III above or prohibited services referred to in Section VII below. The Audit Committee has pre-approved the All Other Services listed in Appendix D, provided that such services do not exceed the pre-approved fees set forth on Appendix D. Permissible All Other Services other than those listed in Appendix D must be specifically pre-approved by the Audit Committee, except to the extent covered by the delegation of authority under Section II above.

VII. PROHIBITED SERVICES

The Company will not retain its independent auditors for any services that are "prohibited services" as defined by applicable statutes or regulations, as may be in effect from time to time, including, without limitation, those services prohibited by Section 201(a) of the Sarbanes-Oxley Act of 2002 and the SEC's or the PCAOB's rules and regulations and such other rules and regulations as may be promulgated thereunder from time to time. Attached to this policy as Exhibit 1 is a current list of the SEC's and PCAOB's prohibited non-audit services, including prohibited tax services.

TABLE OF CONTENTS

VIII. PRE-APPROVAL FEE LEVELS

Pre-approval fee levels for all services to be provided by the independent auditor will be established annually by the Audit Committee. If a Participant takes an approved leave of absence of more than three months during all or part of an Annual Award Performance Period, the Committee may, in its sole discretion, determine that such Participant shall be eligible for a pro-rated Annual Award based on the percentage of the Annual Award Performance Period that such Participant was actively employed.

Section 6. Long-Term Award Program.

- (a) In General. Not later than 90 days after the beginning of a Long-Term Award Performance Period or such period, if any, as may be required by Section 162(m), the Committee shall specify in writing, by resolution of the Committee or other appropriate action, the Participants for such Long-Term Award Performance Period and the Performance Factors applicable to each Long-Term Award for each Participant with respect to such Long-Term Award Performance Period; provided, however, that with respect to any Participants who are not Covered Employees or for any Long-Term Award Performance Period for which the Plan is not intended to satisfy the requirements of Section 162(m), the Committee shall make such written specification either within 90 days after the beginning of such Long-Term Award Performance Period or as soon as practicable thereafter. Long-Term Awards, including the terms and conditions of such Long-Term Awards, shall be communicated to Participants in such form as the Committee from time to time approves. Unless otherwise provided by the Committee in connection with specified terminations of employment, or except as set forth below in this Section 6, payment in respect of Long-Term Awards shall be made only to the extent that the Committee determines that the Performance Factors with respect to the Long-Term Award Performance Period (and any portion thereof, as applicable) have been attained.
- (b) Special Provisions Regarding Long-Term Awards. Notwithstanding anything to the contrary contained in this Plan, in no event shall payment in respect of Long-Term Awards granted to any Participant attributable to a Long-Term Award Performance Period exceed \$3.5 million. The Committee may, in its sole discretion, decrease the amount of a Long-Term Award payable upon attainment of specified Performance Factors, but in no event may the Committee increase the amount of a Long-Term Award payable upon attainment of specified Performance Factors to a Covered Employee in respect of any Long-Term Award Performance Period for which the Plan is intended to satisfy the requirements of Section 162(m).
- (c) Time and Form of Payment of Long-Term Awards - In General. Except as may otherwise be provided or permissible to satisfy the requirements of the Code or other applicable laws, all payments in respect of Long-Term Awards for a Long-Term Award Performance Period shall be made, in cash, by the 15th day of the third month following the end of the Long-Term Award Performance Period or in partial payments at such other times or intervals as the Committee may determine.
- (d) Payment of Long-Term Awards to Covered Employees. In addition to the provisions set forth in subsection 6(c) above, in the case of Participants who are Covered Employees, unless otherwise determined by the Committee, such payments shall be made only after achievement of the Performance Factors has been certified by the Committee.
- (e) Payment of Long-Term Awards to Actively Employed Employees. Unless otherwise provided by the Committee, and except as provided in the following sentence or under Section 6(i), a Participant must be actively employed by the Company as of the date(s) of payment of a Long-Term Award in order to be eligible to receive payment(s)

TABLE OF CONTENTS

in respect of such Long-Term Award. In the event of a Long Term Award made in partial payments as provided in paragraph 6(c) above, a Participant who ceases to be actively employed after receipt of a partial payment shall forfeit any partial payments which would otherwise be made after he or she ceases to be actively employed. With respect to any Participant whose employment is terminated at any time prior to the expiration of a Long-Term Award Performance Period or thereafter but prior to the date of payment (if any) for such Long-Term Award Performance Period as a result of death, Disability, Retirement, or by the Company for a reason other than that which would disqualify such Participant from eligibility to receive separation pay under the Revlon Executive Severance Pay Plan as in effect on the date of this Plan, the Committee may (but has no obligation to), in its sole discretion, determine to provide such Participant payment under his or her Long-Term Award for such Long-Term Award Performance Period at the time payments are made to other Participants in respect of such Long-Term Award Performance Period (which payment(s) may be prorated, if the Committee so provides, based on the number of days such Participant was employed during such Long-Term Award Performance Period, or as the Committee otherwise determines is appropriate).

- (f) Payment of Long-Term Awards to Transferred Employees; Change of Assignment. If a Participant has a change of assignment or transfer during a Long-Term Award Performance Period, the Committee may, in its sole discretion, determine that such Participant's Long-Term Award be calculated for each position on a pro-rated basis. Similarly, the Committee may, in its sole discretion, determine that an Eligible Employee who is newly hired or who becomes eligible to join this Plan after the start of the Long-Term Award Performance Period, shall be eligible for a pro-rated Long-Term Award based on the percentage of the Long-Term Award Performance Period actually worked while a Participant.
- (g) Payment of Long-Term Awards - Leaves of Absence. If a Participant takes an approved leave of absence of more than three months during all or part of a Long-Term Award Performance Period, the Committee may, in its sole discretion, determine that such Participant shall be eligible for a pro-rated Long-Term Award based on the percentage of the Long-Term Award Performance Period that such Participant was actively employed.
- (h) Code Section 409A. Notwithstanding any provision of this Section 6 to the contrary, it is intended that any agreement under which any Participant has been afforded a discretionary benefit under Section 6(e), above, shall satisfy or be exempt from the requirements of Section 409A, including, but not limited to, the granting of each such award in writing and the inclusion of the specifics of the requirements for vesting and the timing and the form of payment, as well as restrictions on payment, if any, to "specified employees," as such term is defined under Code Section 409A, and requirements, if any, for "separation from service," as such term is defined under Code Section 409A. For purposes of Code Section 409A, each such agreement shall be treated as a separate plan and each of a series of payments under each such agreement shall be treated as a separate payment.
- (i) Change in Control.
 - (1) Change in Control, Generally.
 - (A) Pro Rated Payments if Change in Control Occurring During a Performance Period. Upon a Change in Control during a Performance Period, Long-Term Awards related to such Performance Period shall be paid at target on a prorated basis (based on the number of days elapsed during the Long-Term Award Performance Period) within 60 days following such Change in Control.
 - (B) Payments if Change in Control After a Performance Period. Upon a Change in Control after a Performance Period as to which the respective Performance Factors had been achieved, but before the payment of the Long-Term Awards for such period, such Long-Term Awards shall be paid within 60 days following such Change in Control.
 - (2) Successor Benefits upon Change in Control. If, in connection with a Change in Control, a Successor Entity assumes the Plan, does not terminate the Plan or provides Participants with comparable benefits as those provided by this Plan, then the provisions of Sections 6(i)(1) above shall not apply.
 - (3) Discretionary Benefits Not Affected. Notwithstanding the foregoing, any Participant whose employment with the Company has terminated and who has been afforded a discretionary benefit under Section 6(e) above shall not receive any further benefit upon a Change in Control under this Section 6(i).

TABLE OF CONTENTS

- (4) Certain Defined Terms. For purposes of this Section 6(i), the following defined terms shall have the meanings ascribed thereto, below:

“Change in Control” means the occurrence of any of the following events:

- (i) any Person, other than one or more Permitted Holders, is or becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, except that for purposes of this definition a Person will be deemed to have “beneficial ownership” of all shares that any such Person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), directly or indirectly, of more than 50% of the total voting power of the Voting Stock of Revlon, Inc.; provided, that under such circumstances the Permitted Holders do not have the right or ability by voting power, contract or otherwise to elect or designate for election a majority of the Board of Directors of Revlon, Inc. (for the purposes of this clause (i) and clause (iii), such other Person will be deemed to beneficially own any Voting Stock of a specified corporation held by a parent corporation, if such other Person beneficially owns, directly or indirectly, more than 50% of the voting power of the Voting Stock of such parent corporation and the Permitted Holders do not have the right or ability by voting power, contract or otherwise to elect or designate for election a majority of the Board of Directors of such parent corporation);
- (ii) during any period of two consecutive years, individuals who at the beginning of such period constituted the Board of Directors of Revlon, Inc. (together with any new directors whose election by such Board of Directors or whose nomination for election by the shareholders of Revlon, Inc. was approved by a vote of 66-2/3% of the directors of Revlon, Inc. then still in office who were either directors at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of the Board of Directors of Revlon, Inc. then in office; or
- (iii) the shareholders of Revlon, Inc. approve a plan of complete liquidation or dissolution of Revlon, Inc. or there is consummated an agreement for the sale or disposition by Revlon, Inc. of all or substantially all of Revlon, Inc.’s assets to an entity in which any Person, other than one or more Permitted Holders, is or becomes the Beneficial Owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, except that for purposes of this definition a Person will be deemed to have “beneficial ownership” of all shares that any Person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), directly or indirectly, of securities of such entity representing 50% or more of the combined voting power of such entity’s Voting Stock, and the Permitted Holders “beneficially own” (as so defined) directly or indirectly, in the aggregate, a lesser percentage of the total voting power of the Voting Stock of such entity than such other Person and do not have the right or ability by voting power, contract or otherwise to elect or designate for election a majority of the Board of Directors of such entity.

Notwithstanding the foregoing, a “Change in Control” shall not be deemed to have occurred by virtue of the consummation of any transaction or series of integrated transactions immediately following which the record holders of the common stock of Revlon, Inc. immediately prior to such transaction or series of transactions continue to have substantially the same combined voting power of the Voting Stock in an entity which owns all or substantially all of the assets of Revlon, Inc. immediately following such transaction or series of transactions.

For purposes of this definition of “Change in Control,” the following terms shall have the meanings ascribed thereto below:

“Capital Stock” of any Person shall mean any and all shares, interests, rights to purchase, warrants, options, participations or other equivalents of or interests in (however designated) equity of such Person, including any Preferred Stock, but excluding any debt securities convertible into or exchangeable for such equity.

“Exchange Act” shall mean the Securities Exchange Act of 1934, as amended from time to time.

“Permitted Holders” means Ronald O. Perelman (or in the event of his incompetence or death, his estate, heirs, executor, administrator, committee or other personal representative (collectively, “heirs”)) or any Person controlled, directly or indirectly, by Ronald O. Perelman or his heirs.

“Person” shall have the meaning given in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof, except that such term shall not include (i) Revlon, Inc. or any of its subsidiaries, (ii) a trustee

or other fiduciary holding securities under an employee benefit plan of Revlon, Inc. or any of its affiliates, (iii) an underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) a corporation owned, directly or indirectly, by the stockholders of Revlon, Inc. in substantially the same proportions as their ownership of stock of Revlon, Inc.

“Preferred Stock,” as applied to the Capital Stock of Revlon, Inc., means Capital Stock of any class or classes (however designated) which is preferred as to the payment of dividends, or as to the distribution of assets upon any voluntary or involuntary liquidation or dissolution of Revlon, Inc., over shares of Capital Stock of any other class of Revlon, Inc.

“Revlon, Inc.” means Revlon, Inc. together with its subsidiaries, including, without limitation, the Company.

“Voting Stock” means all classes of Capital Stock of Revlon, Inc. then outstanding and normally entitled to vote in the election of Directors.

“Successor Entity” means the entity which succeeds to the Company’s business, operations or material assets in connection with a Change in Control, whether by operation of law, merger or consolidation, asset sale, re-organization or otherwise.

Section 7. General Provisions.

- (a) Compliance with Legal Requirements. This Plan and the granting and payment of Awards and the other obligations of the Company under this Plan shall be subject to all applicable federal and state laws, rules and regulations, and to such approvals by any regulatory or governmental agency as may be required. No payment under any Award granted hereunder shall be made in the event it would trigger a breach or default under, or otherwise be restricted by, any of the Company’s governing debt instruments, and Participants shall have no claim in respect to any such Award or portion thereof in such circumstances.
- (b) Nontransferability. Awards shall not be transferable by a Participant, except upon a Participant’s death following the end of a Performance Period but prior to the date payment(s) is (are) made, in which case the Award shall be transferable in accordance with any beneficiary designation made by the Participant in accordance with Section 7(i) or, in the absence thereof, by will or the laws of descent and distribution. No Participant’s rights under the Plan may be assigned, attached, pledged or alienated by operation of law or otherwise.
- (c) No Right To Continued Employment. Nothing in this Plan or in any Award granted pursuant to this Plan shall confer upon any Participant the right to continue in the Company’s employ or to be entitled to any remuneration or benefits not set forth in this Plan, or to interfere with or limit in any way whatever rights the Company may otherwise have to terminate such Participant’s employment or change such Participant’s remuneration or otherwise establish the terms and conditions of such Participant’s employment.
- (d) Withholding Taxes. Where a Participant or other person is entitled to receive a payment pursuant to an Award, the Company shall have the right either to deduct from the payment, or to require the Participant or such other person to pay to the Company prior to delivery of such payment, an amount sufficient to satisfy any federal, state, local or other withholding tax requirements related thereto.
- (e) Amendment, Termination and Duration of the Plan. The Board or the Committee may at any time and from time to time alter, amend, suspend, or terminate this Plan, in whole or in part, for any or no reason, without advance notice to any Participant, provided, however, that if stockholder approval for any such amendment would be required in order for the Plan to remain compliant with Section 162(m), and such stockholder approval is not obtained, then the failure to obtain such stockholder approval shall not render the Plan or the subject amendment ineffective; rather, the Plan shall continue in full force and effect, as amended, without regard to Section 162(m) as to such amended terms. Notwithstanding the foregoing, no amendment shall adversely affect any of the rights of any Participant under any Award following the end of the Performance Period to which such Award relates, provided, however, that the exercise of the Committee’s discretion pursuant to Section 5(b) and Section 6(b) of this Plan to increase or decrease the amount of an Award shall not be deemed an amendment of this Plan.
- (f) Participant Rights. No Participant shall have any claim to be granted any Award under this Plan, and there is no obligation for uniformity of treatment for Participants.

TABLE OF CONTENTS

- (g) Unfunded Status of Awards. The Plan is intended to constitute an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in this Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company.
- (h) Governing Law. This Plan and all determinations made and actions taken pursuant to this Plan shall be governed by the laws of the State of New York without giving effect to the conflict of laws principles thereof. This Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.
- (i) Beneficiary. A Participant may file a written designation of a beneficiary with the Committee (on a form as may be prescribed by the Committee), solely to specify that an Award to such Participant may be transferable upon such Participant’s death following the end of a Performance Period but prior to the date payment is made pursuant to this Plan. A Participant may, from time to time, amend or revoke any such designation. If no designated beneficiary survives the Participant and an Award is payable to the Participant’s beneficiary pursuant to Section 7(b) of this Plan, the executor or administrator of the Participant’s estate shall be deemed to be the grantee’s beneficiary.
- (j) Interpretation. This Plan is designed and intended to be exempt from, or to the extent applicable, comply with Section 162(m) and Section 409A, and all provisions of this Plan shall be construed in a manner to so comply.
- (k) Effective Date. This Plan was originally effective as of January 1, 2010 and, for purposes of the Company’s compliance with Section 162(m), approved by the Company’s stockholders at the Company’s annual stockholders meeting held in 2010. This Plan was restated as of March 11, 2015, provided, however, that, for purposes of the Company’s continuing compliance with Section 162(m), this Plan is subject to approval by the Company’s stockholders at the Company’s annual stockholders meeting to be held in 2015 (or any adjournment thereof), or as otherwise permitted under the Delaware General Corporation Law.
